

U. S. ARMY AVIATORS SURVIVE TERRIBLE MEXICAN EXPERIENCE

COL. BISHOP AND LIEUT. ROBERTSON FOUR DAYS WITHOUT FOOD OR WATER

Damage to Aircraft When They Sought Land for A Reconnoitre Cause of Plight—Map at Their Disposal Gave Imperfect Outline of Country—Col. Bishop Sank Exhausted in Mountain Pass While Companion Pressed Forward in Search of Aid.

WELLTON, Ariz., Jan. 19.—Lieut. Col. Harry C. Bishop and Lieutenant W. A. Robertson, Jr., missing army aviators exhausted from walking four days in the wilds of Sonora, Mexico, without food or water, were found yesterday more than 32 miles south of the border by a civilian searching party from Wellton.

Lieutenant Robertson was brought here today by the searchers. Lieut. Col. Bishop, too weak to walk, was left in charge of four searchers in the Rosario mountains where he was found last night at 10:00 o'clock. Two sandwiches and two oranges each was all the men had tasted since they left the North Island aviation base at San Diego, A. J. N. 10, on their flight, Robertson told the searchers.

Water they took from the radiator of the airplane after they landed on the east coast of the Gulf of California was exhausted four days ago, Robertson said. They had tasted none since, he told the searchers.

Robertson was found yesterday following the tracks of the automobile south of the border. He directed the search party to the Rosario mountains, 30 miles farther south where he said he left Bishop the day before. He had been traveling alone for the last 24 hours he said. Bishop had become exhausted.

Found Bishop in Mountain Pass
Leaving Robertson in charge of two of the searchers, other members of the party pressed southward and found Bishop lying on the ground in a mountain pass. He was unable to talk and barely able to recognize the searchers.

Robertson said the members of the searching party were the first humans he had seen since he landed. He was unable to give definite information as to the district where they landed, but thought it was 250 miles or more south of the Arizona border.

After his arrival here Robertson attempted to talk over the long distance telephone but he was too weak.

Members of the party who took charge of Bishop are expected to arrive here tomorrow. The searchers said neither of the men were delirious when found.

Propeller Was Broken
The propeller of their airplane was broken, Robertson said when they made a landing about 12:30 p. m. Wednesday, Jan. 10. Enough gasoline for thirty minutes flight remained in the tank, he said.

The aviators remained with the airplane until 4:30 that afternoon and then abandoned it starting across the desert toward the mountains and heading north. They drained a gallon oil can which they carried and filled it with water from the radiator of their airplane. This they carried with them.

Lieutenant Robertson gave his story in detail tonight to a representative of The Associated Press as follows:

"We left San Diego at 8:30 a. m. Jan. 10 intending to go across the mountains east to Calexico. Insufficient maps made it necessary to rely largely on compass readings. For this reason to keep north of the Mexican border sailed a course 25 degrees north of east. I counted on this course putting me into Imperial Valley well north of the border and then having to sail south for about 50 miles.

"In order to cross the high mountains it was necessary to travel high, averaging more than 7,000 feet.

Tried to Land and Investigate
"I then turned southeast. After about 30 minutes on this course I could see distinctly thru a haze a large body of water thought to be the Salton sea. The only map of this section I had showed Salton sea much too far south to this confirmation of my belief that I was right. As my gas was running low, my only course was to keep going farther south in order to strike Calexico. Colonel Bishop thought this body of water to be the Salton sea, so both of us were satisfied we were following the correct course.

"Neither Colonel Bishop nor myself could possibly figure on the drift of the machine. As it was hazy it was impossible to see well enough to pick out objects clearly. When after about 30 minutes of search for the Southern Pacific railway which I knew to be near Salton Sea I decided to land and investigate. The landing was almost completed when the aircraft struck soft ground and the plane tipped up. This was at 12:30 p. m. and I still thought we were on Salton sea and

were only convinced of error after close examination of surrounding country. We then decided on walking back to the Imperial Valley.

"We put one gallon of water from the radiator in an extra oil can and with a light lunch started northwest. That was at 4:30 p. m., Jan. 10.

No Water Since Sunday
"We kept a northwest course, traveling by night and day. Our water gave out Sunday, Jan. 14. By that time Colonel Bishop was so weak our progress was slow. We agreed it would be wise to separate when we could travel no further and take the only available course I to continue on and send back aid if possible.

"This I did at daybreak Wednesday, the 17th. We kept to the northwest and at daybreak the 15th found a trail of one of the rescuing parties. Following this trail I caught the party about 9 a. m. Thursday. They immediately set out to find Colonel Bishop and they following my directions and back trail found him about 9 p. m. Jan. 18th."

Friends of the two officers speculated tonight regarding the attitude the war department would take toward Lieut. Colonel Bishop and Lieutenant Robertson. Neither, it was officially announced here last Sunday had been given authority to make the flight and it was said both would be subject to court martial in the event of their safe return.

When Colonel Clifford received Lieutenant Robertson's message he immediately telegraphed the news to Col. Bishop's father at Normal, Ill. To Lieutenant Robertson's mother and brother at Salt Lake City and his father at Albuquerque, N. M., and to the airplane squadron at Calexico. The exact mission of Lieut. Col. Bishop and Lieutenant Robertson's flight has not been stated officially. Brother officers said tonight they believed the two aviators had been given permission of someone in authority to go to Calexico and that neither would be court martialed.

Wept on Receipt of News
Bloomington, Ill., Jan. 19.—Louis H. Bishop of Normal, Illinois, father of Lieutenant Colonel Harry C. Bishop, broke down and wept at receipt of the news of his son's safety given him tonight by the correspondent of The Associated Press. No personal message has been received from Lieutenant Bishop.

COMMISSION AWARDS HOYT TO THE GIANTS
CINCINNATI, O., Jan. 19.—The national baseball commission today handed down a decision awarding Player Waite C. Hoyt to the New York club of the National League, declaring a contract signed by the player with the Hartford, Conn. club to be void. The player according to the commission is a minor and the contract signed with the New York club was sanctioned by the boy's father while the Hartford contract was repudiated by the father.

TO ACT AS SPECIAL COUNSEL
Boston, Jan. 19.—Sherman L. Whipple designated by the house rules committee to act as special counsel in the peace note leak investigation left here tonight for Washington to confer with Chairman Henry and the committee. Mr. Whipple said that he probably would accept if pending court cases in which he has been retained could be arranged satisfactorily.

DISPATCHES AID TO AVIATOR
Yuma, Ariz., Jan. 19.—Col. R. H. Wilson, commander of the American troops here, dispatched Major Brown and fourteen men with an army ambulance to Wellton, Ariz., tonight to get Lieut. Col. Harry C. Bishop, one of the army aviators who is still in Sonora.

ROBINSON HIGH IN SHOOT
Lincoln, Ill., Jan. 19.—Leaders in the closing day's program of the Central Illinois Trapsshooters' League midwinter meeting today were as follows:

Robinson, 140; Buckles, 131; T. Hall, 135; A. C. Connor, 133; Sims, 131.
Sheets established the high score of the shoot with 143.

COMMITTS MURDER IN SELF DEFENSE
Peoria, Ill., Jan. 19.—George Coleman, 26, was shot and killed at Canton, Ill., tonight by Fred Wood. Wood is in jail and has confessed to the killing. He claims self-defense. Both are negroes.

DIES FROM EXPOSURE
El Paso, Texas, Jan. 19.—Dr. Thomas Flanagan an American physician at Parral who was in hiding 30 days from bandits and who finally reached the border here, died early today from the exposure incident to his experience.

FUNERAL OF ADMIRAL DEWEY TO BE HELD TODAY

Many Distinguished Officials To Attend Services

Public Honors to be Accorded Naval Hero Seldom Equalled in Nation's History—Senior Warships of Navy Will Fire Salute.

Washington, Jan. 19.—Admiral Dewey, the hero of Manila Bay will be buried at Arlington tomorrow with public honors seldom equalled in the nation's history.

After services in the rotunda of the capitol the body will be followed down Pennsylvania avenue and across the Potomac to its resting place by a cortege including all the high officials of the federal government, the diplomatic corps, rank in officers of the army and navy, many military and naval units in uniform, committees of the senate and house and representatives of many patriotic societies.

Warships Will Fire Salute
Flags on American public buildings, forts and naval vessels throughout the world will be at half mast and at noon while the last rites are being said at Arlington, senior warships of the American navy everywhere will fire a farewell salute of 19 minute guns.

During the services at the capitol, which will be attended by President Wilson and many other officers and distinguished men and women, the body will rest on the same catafalque and at the same spot in the rotunda where Lincoln, Garfield, McKinley, lay in state. Chaplain Frazier, Dewey's and the Olympia's chaplain at Manila will officiate. A brief ceremony at the Dewey residence attended by near relatives, by the President and Mrs. Wilson and by a few close friends, will precede the capitol funeral, and, in conformity to the admiral's expressed desire the Annapolis midshipmen will be the only military escort when the body is taken from the home. The private service will begin at 10 o'clock and that at the capitol an hour later.

Behind the military in carriages will be the president, the cabinet, the chief justice and associate justices of the supreme court, the diplomatic corps and the committees of congress. The society of Manila Bay made up of officers who were under fire with Dewey at Manila will be given a special place in the military section.

Executive Departments to Close
By order of President Wilson all executive departments will be closed throughout the day. The senate and house will assemble shortly before the capitol ceremonies and then will recess while they are in progress. All business houses in Washington will be closed from 11:30 to 12:30 o'clock.

Navy officers said today that perhaps the most unusual of all the honor to be paid the dead hero will be the salute of 19 guns fired at noon by American warships. It is a salute of the secretary of the navy and 17 guns is the designated admiral's salute. The extra honors to be given under order of Secretary Daniels will be the extended recognition of Dewey's rank, unique in American history, as the admiral of the navy.

HOUSE PASSES OMNIBUS PUBLIC BUILDINGS BILL
WASHINGTON, Jan. 19.—An omnibus public buildings bill which President Wilson has given notice he will veto was passed late today by the house 234 to 92. It carries \$38,000,000 for buildings, improvements or sites in cities and towns all over the country.

The bill now goes to the senate, where it will encounter determined opposition. Action in the house followed a long and bitter debate, during which advocates of the measure defended it and opponents denounced it as pork barrel legislation.

The final vote was not along party lines, although there were more Republican than Democratic negatives. While the bill carries a total of \$38,000,000, Chairman Clark of the Public Buildings committee told the house that this would be reduced about \$6,000,000 by money returned to the treasury thru sales of old sites and buildings.

TO DISTRIBUTE SEVEN MILLION FISH IN STATE
SPRINGFIELD, Jan. 19.—Seven million fish are to be distributed in lakes and rivers thru the state of Illinois next week by the state fish commission. Six million white fish are to be taken to Lake Michigan. Eighteen thousand lake trout, fifty thousand brook trout and fifty thousand rainbow trout will be distributed elsewhere.

The fish will be transported in the Illinois fish car recently purchased by the state. The fish were raised in the Spring Grove hatchery in Henry county.

NAME ELMER ASSISTANT GENERAL FREIGHT AGENT
Chicago, Jan. 19.—James P. Elmer has been appointed assistant general freight agent for the Chicago Great Western railroad, with headquarters in St. Paul, succeeding O. F. Spindler, transferred to Des Moines, it was announced today. Mr. Elmer, formerly was a general passenger agent of the road.

HONOR LEE'S MEMORY
Richmond, Va., Jan. 19.—Robert E. Lee's memory was honored today throughout the south. The one hundred and tenth anniversary of his birth was observed as a holiday in all southern states. Secretary of War Baker was the principal speaker at the celebration at Washington and Lee University at Lexington.

DRYS WILL BACK BASEL'S CONTEST

Wet and Dry Lineup in Lower House Exceedingly Close.

Springfield, Ill., Jan. 19.—With the "wet" and "dry" lineup in the lower house of the 50th general assembly exceedingly close "dry" members prepared today to back the contest of William H. Basel, of Astoria, defeated Democratic candidate in the 43rd district, against Patrick W. Gallagher of Canton, Democrat, who has been seated in the house.

This contest is one of six which will come before the house elections committee next week. The "wets" now claim five more than the "drys" who will introduce their bill for state-wide prohibition simultaneously with the appearance here of William Jennings Bryan Tuesday, have a majority in the senate.

Rep. Harry F. Hamlin, of the 31st (Chicago) district, is chairman of the elections committee before which the contest will be staged. Reports that the "drys" had protested Mr. Hamlin's appointment to this committee were denied today by Rep. Thomas E. Lyon of Springfield, who heads the dry committee in the house.

Speaker Shanahan, of the house, who returned to Chicago last night, will inform committee chairman when the legislature reconvenes on Tuesday that he desires full hearings before the elections committee on this and other contests. Mr. Basel contends that the narrow margin of votes by which Mr. Gallagher was declared elected was irregular, thru certain subcounts in Galesburg and Ellisville.

WAR NEWS SUMMARIZED

Current official communiques from the capitals of the warring nations, mention no hard fighting, except on the western end of the front in Moldavia.

Austro-German guns are pounding at a railroad town in the Trofuts Valley according to Petrograd. In the Suchitza Valley, Russian attacks, Berlin says failed with heavy losses. Field Marshal Von Mackensen apparently has been checked momentarily in his advance against the line of the defenders on the Sereth river.

On the western front there have been several small patrol engagements along the British line. Along the remainder of the front the opposing artillery wings continue to hammer hostile trenches.

Near Zeeboug in Galicia, an Austro-German raid was frustrated by the Russians. An Austrian offensive near Oppachiasella, south of Gorizia failed under Italian artillery fire Rome declares. Three neutral vessels, two Spanish and one Danish have been sunk, an announcement from London says and in addition a Norwegian steamer is believed to have gone down.

EMPTY MOTOR TRUCKS LEAVE FIELD BASE

COLUMBUS, N. M., Jan. 19.—One hundred and seventy empty motor trucks have left the field base here during the past 12 hours for field headquarters in Mexico. They will return with excess supplies from the camps along the communication line it was said here today.

All enlisted men of the punitive expedition who have been on furlough are being held here. Large tents are being pitched here to store supplies and other field equipment of the expedition. An early movement of the expeditionary forces was predicted here today.

BRUNDAGE RULES ON ROAD EXPENDITURES

SPRINGFIELD, Ill., Jan. 19.—All road and bridge improvements for which the total cost of construction exceeds \$200 must be approved by the county superintendent of highways according to a ruling made today by Attorney General Edward J. Brundage. According to the attorney general it has been the practice of some county commissioners to evade the Tice road law by purchasing different articles for construction separately and employing labor by the day.

By this plan no item has exceeded the specified \$200, although the total cost has been greatly in excess of this amount. The commissioners to be within the law as interpreted by the attorney general may only authorize expenditures for road improvements of less than \$200.

ELECTRIC RAILWAY ASSOCIATION ELECTS

CHICAGO, Jan. 19.—C. F. Handshy, of Springfield, was elected president of the Illinois Electric Railway association at the annual meeting here today. D. E. Parsons, East St. Louis was chosen first vice-president. An executive committee was elected as follows:

J. R. Blackhall, Joliet; F. E. Fisher, Joliet; E. C. Fisher, Aurora; H. E. Lubuck, Peoria; F. G. Greer, Paris, and Britton I. Budd, Chicago.

SHIPS REMAIN IN PORT.

Baltimore, Jan. 19.—Since confirmed news of the operations of the German commerce raider was received two days ago not a ship of the British nations has passed out of this port for Europe.

Many of the ships have been forced to anchor in midstream.

PUNITIVE EXPEDITION WILL BEGIN LONG MARCH

Will Cross Deserts of Chihuahua Within Next 72 Days

Unofficially Reported by Army Officials that Actual Withdrawal Operations are Under Way, at El Valle, Southernmost Point.

El Paso, Jan. 19.—Predictions that the American punitive expedition will begin its long march across the deserts of the northwestern Chihuahua toward Columbus, N. M., within the next 72 hours were made here today by army officers who are in close touch with the movements of the expeditionary forces.

It was unofficially reported by army officials that actual withdrawal operations were under way at El Valle, the southern outpost of the punitive expedition and at San Juan between El Valle and the field headquarters at Colonia Dublan.

All supplies hauled to Americans in the Casas Grandes-Colonia Dublan district and sent to Juarez or transportation over the Mexico Northwestern railroad have been ordered held at Juarez. Arrangements were also being made in Juarez to begin sending all available freight cars to Casas Grandes to bring out the stocks of goods and surplus supplies.

The despatching of four empty motor truck trains of thirty trucks each from Columbus during the past 24 hours was taken here to mean early withdrawal.

General Pershing's troops will be disposed along the border with headquarters at El Paso and San Antonio, according to reports here and in Columbus today.

Andrew Garcia, inspector-general of Carranza consulates, said tonight Carranza was ready to occupy the territory evacuated by the punitive expedition. These troops will be brought north to Juarez and sent down the line of the Mexican Northwestern railroad he explained. A train left tonight for Chihuahua city with about sixty men and forty officers.

Formal Orders Lacking
Washington, Jan. 19.—Formal announcements of orders for withdrawal of the American expedition in Mexico were still lacking tonight. President Wilson has approved the plan to bring troops out and there has been plain intimations that action would precede any further statement on the subject.

All details of the withdrawal are understood to have been left to General Pershing and General Funston already has worked out his plans for distributing the ten or 12,000 men in the expedition among strategic points along the border.

As soon as these regulars are available the homebound movement of national guardsmen still doing border patrol service will begin. Withdrawal of the Pershing expedition was one of the recommendations of the American members of the now defunct American-Mexican joint commission. It has been advocated for a long time by army officers, who have insisted that the troops were doing no good where they were and were in a poor strategic position in case of an attack.

Apparently there is no certainty about when the other step proposed by the commissioners, the despatch of an ambassador-designate Fletcher to his post at Mexico City will be carried out. This would mean establishing full diplomatic relations with the de facto government and it may be delayed until better conditions are restored in Mexico and Carranza's attitude is more satisfactory.

LEAVES OF ABSENCE GRANTED OFFICERS

EL PASO, Texas, Jan. 19.—All leaves of absence granted to National Guard officers and enlisted men in this district have been ordered extended 30 days by the war department it was announced here today. It was understood the same order has been sent to all commands in the southern department.

The order was interpreted as an indication that the national guard troops would be sent home from the Mexican border soon.

EXTERMINATION OF BAND OF ROBBERS

OKMULGEE, Okla., Jan. 19.—Extermination of one of the most daring robber bands in Oklahoma was believed accomplished here tonight with the killing near here of three alleged outlaws by members of a posse led by county authorities and the killing of one and capture of another yesterday. The men killed today, all shot thru the head were Oscar Poe and Will and Harry Hart, twin brothers. More than \$5,000 of the loot obtained from Oklahoma banks has been recovered.

OPPOSE STATE OWNE PRINT PAPER MILLS

Brainard, Minn., Jan. 19.—Opposition to state-owned print paper mills was expressed in a resolution adopted by the Northern Minnesota Editorial association which opened today. The resolution also disapproved of publishers entering the paper manufacturing business.

EQUALS RECORD

Chicago, Jan. 19.—Joe Loomis, Chicago Athletic association sprinter who recently returned from the international meet in Norway equalled the A. A. U. indoor record of 3 2-5 seconds for 50 yards tonight in the meet of the C. A. A. and the University of Northwestern.

LEAVES FOR SOUTH.

Baltimore, Md., Jan. 19.—Having undergone an examination by specialists at Johns Hopkins Hospital, Samuel Untermeyer, corporation lawyer of New York left today for Palm Beach, where he will spend two or three weeks.

ELDERLY PEOPLE GIVE VAUDEVILLE SHOW

Men and Women, Ranging in Age from 45 to 90 Appear on Program.

Portland, Ore., Jan. 19.—The talk of the town today was a free vaudeville show given here last night by men and women ranging in age from 45 to 95 as part of an exploitation program adopted by an organization known as the Forty-five Efficiency Club, which is urging removal of age limits on national and local civil service rules.

The theatre was packed and many were turned away. The performers came from all walks of life from lawyers to common laborers and their wives. A quartet of men past 70 years of age; "Grandma" Ruxley, a violinist past 70; a gray haired and stooped high-wheel bicycle rider, a 75 year old acrobat and numerous individual singers and players past sixty were on the program.

MAY ABOLISH STATE BOARD OF ARBITRATION

Lowden Giving Plan Serious Consideration

Would Entrust Duties of Board To the State Industrial Board—Would Increase Industrial Board Members to Five.

Springfield, Ill., Jan. 19.—Legislation to abolish the state board of arbitration and to entrust its duties to the state industrial board is under serious consideration by Governor Frank O. Lowden. The governor discussed his plan today with a number of labor leaders who are said to have presented no serious objections to the consolidation of the boards. It is contemplated to increase the present industrial board from three to five members in order to enable it to accomplish the additional work which would be put upon it.

The state administration contends that the proposed board would be an active factor in settling many labor disputes. It would be composed of two members selected by the labor interests, two members selected by the employers and a neutral member to be appointed by the governor. This board while meeting constantly to settle awards under the workmen's compensation act would develop a judicial attitude and would gain the confidence of both the workingmen and the employers, it was contended. This would lead both classes to admit their labor disputes to the board. It is said there is no intention of including a compulsory arbitration clause in the plan.

The combination of the two bodies will probably be made a part of Gov. Lowden's consolidation and efficiency bill.

The governor discussed this bill today with Frank Farrington, president of the United Mine Workers of Illinois; John Walker, president of the Illinois Federation of Labor; Jas. Morris, secretary of the Illinois mining board and Victor Olander, secretary of the state federation of labor.

ARRANGEMENTS ARE NEARING COMPLETION

WASHINGTON, Jan. 19.—Captain Roald Amundsen, discoverer of the South Pole is here conferring with the magnetic department of the Carnegie institute regarding instruments to be used on his expedition to the North Pole region.

Captain Amundsen declared today that arrangements for the expedition which he plans to lead across the Arctic basin were nearing completion and that he probably would start in 1918.

WILL SUBMIT REPORT TO CONGRESS

WASHINGTON, Jan. 19.—Secretary Daniels received today and will submit to congress a long report on the Edison submarine storage battery from Lamar Lyndon, an expert who recently made inspections and test at Thomas A. Edison's request. The report summarizes the advantages and disadvantages of the batteries, noting particularly that they will not generate the deadly chlorine gas and concluded that they are the most suitable type now obtainable for submarine use. Edison batteries have been installed on some of the new submarines of the navy and a naval board recently reported unfavorably upon them.

ARMED MEN GUARD TRAINLOAD OF POTATOES

GREELEY, Colo., Jan. 19.—Armed guards are riding in every car of a special train of 45 cars loaded with potatoes, which today is speeding eastward. The value of the shipment is set at \$35,000. It is made up of extra choice tubers grown in this district. Three men participated in the shipment.

The guards are required to tend stoves which have been placed in every car to prevent the shipment from freezing as well as to prevent pilfering from the cars.

Portions of the shipment are bound for Peoria, Ill., Chicago and other northern and eastern points.

COLORADO MAY LOSE HER WOMAN ATTORNEY GENERAL.

Denver, Colo., Jan. 19.—Colorado may lose her woman attorney general. It was indicated today by members of the senate finance committee that adverse action might be taken on an allotment in the short appropriation bill for the payment of a fourth assistant attorney general, a position which Leslie E. Hubbard, attorney general, appointed Miss Clara Ruth Mozzor some weeks ago.

CAPTURED SHIP ARMED AS AUXILIARY RAIDER

St. Theodore Manned By German Crew

Cablegram from Consul Stewart at Pernambuco Announces Landing of Crew, Including Nine Americans by Japanese Steamer Hudson Maru

BULLETIN

Berlin, Jan. 19.—via Amsterdam to London, Jan. 20.—The British Steamer Yarrowdale was brought into harbor on Dec. 31 as a prize by a prize crew of sixteen men, says an official statement issued tonight. She carried 469 prisoners, the crews of steamers captured by a German auxiliary cruiser in the Atlantic ocean.

Washington, Jan. 19.—Dispatches to the state department late today from Rio Janeiro said it was stated here that the steamer St. Theodore, captured by the German raider in the South Atlantic, armed with two guns and manned by a German crew was cruising as an auxiliary to the raider.

The department announced that the advice in this statement: "The department is advised by telegram from Rio de Janeiro that it is stated that the captured steamer St. Theodore has been armed with two guns and a German crew put on board and that the vessel is now operating as an auxiliary cruiser in the Atlantic."

Cablegram from Consul Stewart
Earlier in the day a cablegram from Consul Stewart at Pernambuco announced the landing here of the St. Theodore's crew, including nine Americans by the Japanese Steamer Hudson Maru, another of the raider's prizes. The consul said the other ships captured were believed to have no Americans on board. The report of the arming of the St. Theodore, a British vessel was given out with the explanation that the department had no means of determining its accuracy. Officials were inclined to credit the story.

Official dispatches do not as yet indicate that American rights have been violated in any way.

Most questions of international law are involved however in the conversion of a merchantman into a commerce destroyer on the high seas. The United States as well as Great Britain has refused to recognize the legality of such conversion. Germany, however, together with the other continental nations has maintained the legality of conversion.

Attitude to be Watched

The attitude of the Southern nations is being watched with particular interest as it is recognized that the raider's exploits have stirred public opinion there to as great a degree as the exploits of the U-53 stirred public opinion here. A practical blockade of many ports, a jump in insurance rates and crippling of a highly prosperous foreign trade are the results facing the South Americans.

In Search of Raider

Buenos Aires, Jan. 19.—According to newspapers here two British cruisers have left the Falkland Islands in search of the German raider and to protect the shipping lane.

The raider is believed to be receiving wireless information from a Brazilian Island.

Precautions Against Attack

New York, Jan. 19.—Possibility of an attack on the ports of the British and French West Indies by a German raider has created alarm among officials and residents of the islands and every precaution for defense is being taken by the authorities, according to the Rev. J. Henry Cartwright of London, England who arrived here today on the British Steamship Panama from West Indian ports. Mr. Cartwright has just completed a tour of the islands, as representative of the English Wesleyan missions board.

"Lights in the towns and cities are forbidden," Mr. Cartwright said. "In addition lighthouses and light buoys along the coast have been darkened and all vessels leaving port are warned to look out for hostile ships."

STRUCK BY TRAIN; KILLED.

Burlington, Iowa, Jan. 19.—An unknown man was struck by a Rock Island freight train seventeen miles north of here today and instantly killed. He was driving a horse and buggy across the track. Both arms and both legs were cut off and the face mashed to a pulp.

LARGE TONNAGE OF VESSELS.

Washington, Jan. 19.—The largest tonnage of steel merchant vessels in the history of American ship building was under construction or contracted for in private shipyards on January 12. The department of commerce announced tonight that in all there are 403 vessels aggregating 1,495,601 gross tons.

WEATHER INDICATIONS AND TEMPERATURES.

Illinois: Unsettled weather Saturday and Sunday, probably snow in north, snow or rain in south portion by Saturday night or Sunday, colder Saturday night and Sunday.

Ambassador Gerard may have
talked unwisely but is entitled to
credit for the manly way in which
he has come forward with his expla-
nation coupled with an offer to re-
sign at once if he has committed any fault.

THE TEMPERED WIND

This beautiful, moderate winter
weather has been a real Godsend to
the poor in view of the continued
high prices of fuel. Perhaps it is
another instance of the "wind tem-
pered to the shorn lamb."

WILL BOOST FARM VALUES

The value of farm products in the
U. S. last year exceeded all records
in the history of the country and
beat the 1915 total by more than
two and a half billion dollars. That
record certainly ought to give an
impetus to farm values, and there
is every indication that 1917 will
afford the conditions equally fav-
orable for agriculture and livestock
raising.

PUBLIC IMPROVEMENTS

It had a good sound at the pub-
lic improvement hearing yesterday
when a number of the property
owners began their remarks with
the statement that they favored all
kinds of improvement. Too often
the vision of the property owner is
obscured and the first cost blinds
him to the real value which comes
to individuals and the public from
money wisely spent for public bet-
terments.

CONFUSING WORDS.

Here's another one of those head
lines which show up the intricacies
of the English language. "Decatur
Woman has 'Prize Pen'" was the
wording which appeared at the top
of a column of the Decatur Review
yesterday. This didn't mean that
the woman in question had just been
awarded honors because of her or-
thography or her ability as a story
writer, but that a blue ribbon had
been tied on her pen of Buff Orping-
tons in the poultry show.

WILL NOT AID SUFFRAGE

Congressman Emerson of Ohio
voiced a wide spread feeling when
he called the presence of suffrage
pickets posted at the white house as
an annoyance. The congressman,
who believes in woman's suffrage by
both state action and federal amend-
ment, could express his feelings
without being accused of opposing
the cause of the women. This sil-
ent sentinel plan is not militant
sufragism as seen in England but it
smacks of it and is more likely to
injure than to aid the cause.

AMBITIOUS FOR MR. MCCORMICK.

Friends of Congressman elect Mc-
Cormick are quite ambitious for
his future if one may judge from
an incident at a dinner recently given
in Chicago in honor of Mr. McCor-
mick. Congressman Porter was one
of the speakers and said that when
he asked Mr. McCormick's four year
old daughter where her one year old
brother was to live when he had
grown up, the answer came quickly.
"In the White House, of course,"
The congressman expressed the be-
lief that the child was speaking with
a spirit of prophecy.

PROPOSE NEW PLAN FOR POLICE CONTROL

A bill has been introduced in
Springfield which, if adopted, will
take the Chicago police department
from the direction of the mayor and
place it in charge of a commission
consisting of one superior, one cir-
cuit and one county judge. In-
stant affairs the administration is
trying to get away from commis-
sions, but certainly some change is

needed in Chicago, where every few
years the good name of the city is
blackened by rank police depart-
ment scandals.

THOSE SECOND MORTGAGES

The treasury department explana-
tion of the farm loan act is interest-
ing and valuable, showing as it
does a calcium light upon meas-
ure not well understood even by fi-
nanciers and bankers, but when it
comes to the farmers readily finding
some money lender who is ready to
put up cash and take a second mor-
tgage as security—that is another
matter. Money lenders usually
look askance at second mortgages
as security, and it will take some
time to convince these cautious peo-
ple that a mortgage second only to
a farm bank loan claim is safe and
satisfactory.

TRY TO AROUSE HOPKINS SUPPORT.

According to the Kenyon County
Record some of the friends and ad-
mirers of Alfred J. Hopkins of An-
dora are seeking to boom his candi-
dacy for the U. S. senate two years
hence and thus "right a great
wrong", meaning that Mr. Hopkins
did not get a fair deal when the leg-
islature two years ago failed to elect
him after he had secured a plurality
of the popular vote. Mr. Hopkins
should be satisfied to stand on past
honors, as his candidacy would not
be likely to stir up a vast amount of
enthusiasm in Illinois. It is just as
well to remember that times and
ideals have changed a great deal
comparing the present with ten years
ago.

COMPARATIVE GENEROSITY

Americans are taking great cred-
it to themselves for the generosity
shown toward Belgium. There has
been generosity but unfortunately
the impulse to give aid and funds to
that stricken country has waned
somewhat with the progress of the
war. Generosity, like everything
else, can only be measured rightly
by comparison. Some of the United
States' glory fades when it is re-
membered that the people of this
country since the war began have
given \$10,000,000 in money, food
and clothing, while every month for
two years Great Britain has given
\$5,000,000 and France has contri-
buted \$2,500,000. Does the bur-
den of saving Belgium rest any more
upon the people of Great Britain and
France than upon our own United
States?

WELL SPENT MONEY.

The announcement that the plans
have been completed for the erec-
tion of a \$500,000 modern tubercu-
losis sanatorium by St. John's hos-
pital of Springfield evidences the
wonderful work now being done in
the battle against the "white
plague." The new institution will
occupy a site six miles east of
Springfield and the grounds will in-
clude 153 acres, forty acres of
which will be a beautiful park. Tu-
berculosis cases not only from
Springfield, but from central Illi-
nois, can be cared for at this insti-
tution which will be built along the
most approved lines.

A number of Illinois counties at
the last election voted in favor of
establishing tuberculosis sanatori-
ums in their counties and there has
been thruout this state, as in other
states, a great awakening as to the
public's duty in the effort to give
health to those afflicted with the
disease, and to prevent persons with
tubercular tendencies from develop-
ing cases. Every dollar expended in
this work is well invested from an
economic standpoint and in addition
is a contribution of equal value to
a genuine philanthropic purpose.

THIS DATE IN HISTORY

January 20, 1841—Henderson, Ma-
son and Platt counties were cre-
ated, making a total of 90 counties
in the state. Henderson county
was taken off of Warren county.
Mason county was taken off of
Sangamon and Tazewell counties.
Platt county was taken off of Ma-
coun. Henderson county was named
for Col. Richard Henderson of
Kentucky. Mason county named
for a county in Kentucky; Platt
county named for James A. Platt,
Indian agent, 1829.

WILL MAKE ADDRESS IN WHITE HALL.

State's Attorney Carl E. Robinson
will go to White Hall next Tuesday
evening where he will make an ad-
dress before a church brotherhood.
A banquet is to be served at 7 o'clock
followed by a musical program and
a short play and the address of Mr.
Robinson will follow. The White
Hall Republican in announcing the
address refers to Mr. Robinson as
"looked upon as a coming man in
the affairs of the state."

Cully Coffee Co.

SKATING AT LITERBERRY.

Young people of Literberry and
vicinity held another skating party
Friday night on the skating Petefish
pond. There were about thirty-
present and the evening was a pleas-
ant one for all.

FIFTH NIGHT OF REVIVAL.

The fifth night of the revival in
progress at McCabe M. E. church
closed with a large crowd present
and interest high. The Rev. H. H.
DeWitt, pastor of Second Baptist
church, spoke, taking as his text,
John 1-29. There were four con-
verts.

OPPOSITION TO GRAYSON.

Washington, Jan. 19.—Strong op-
position developed today among the
members of the senate to confirm-
ing President Wilson's nomination of Dr.
Cary T. Grayson, his naval aide and
physician for promotion from the
grade of lieutenant commander to
rear-admiral, over the heads of more
than 100 ranking officers of the
navy's medical corps.

MORTUARY

Stevenson.

R. R. Stevenson has received word
of the death of his cousin, James
Stevenson, at Salina, Kansas. The
gentleman was a son of Robert Stev-
enson, formerly of Little Indian, but
had been away from this locality
more than forty years. He was a
man of considerable prominence in
the place in which he lived and was
known and respected by a wide circle
of friends.

Hetzel.

Carl Elder Hetzel, infant son of
Mr. and Mrs. Ed Hetzel, died at his
home four miles south of Franklin
Friday afternoon at 12:30 o'clock.
The child was five months old. He
is survived by the parents, three
brothers and two sisters. Funeral
services will be held this afternoon at
2 o'clock. Burial will be made in
Waverly.

Ed Hetzel, father of the child, is
quite ill at Passavant hospital.

Nesbit.

Funeral services will be conducted
this afternoon from the Presbyterian
church at Virginia for the late New-
ell T. Nesbit, whose death occurred
at his home there Wednesday night
as the result of tuberculosis. Deceased
was a successful young farmer of the
Virginia vicinity and a member
of one of the highly respected pio-
neer families of that section. He was
the son of William and Elizabeth
Massey Nesbit, and was born on the
farm where he died. He received
his education in the Virginia schools
and later was a student at Brown's
Business college in this city.

Deceased was a member of the
Presbyterian church and was a man
of deep religious convictions. He was
a man of strong character and had
the respect of all who knew him. He
is survived by one sister, Miss Mary
Nesbit, and two brothers, John Nes-
bit and George Nesbit, all of Vir-
ginia.

Interment will be made in the ce-
metery adjoining the Providence
church.

Dill

Mr. and Mrs. George L. Hoover
of East College street received word
of the death Thursday afternoon of
Charles Dill in Chicago. Deceased
was a nephew of Mr. Hoover and
was 59 years of age. He suffered a
paralytic stroke about ten weeks
ago and this was finally the cause
of his death. Deceased was agent
for the Illinois Central at the Thir-
ty-fourth street station Chicago. He
is survived by his wife and two
children, his mother, Mrs. Julia
Dill who has been making her home
with Mr. and Mrs. Hoover and one
sister, Mrs. W. L. Parks, wife of
the vice president of the Illinois
Central railroad. The remains were
taken to North Platte, Neb., where
interment will be made.

From Howard, Kans. comes the
word of the death of John Keller,
a former resident of this city, who
passed away Saturday night, Jan.
13, at the home of his daughter Mrs.
S. M. Boyce. Mr. Keller and his
family left Jacksonville in 1898.
Mrs. Keller passed away July 25,
1905 and since her death, Mr. Kel-
ler has made his home with his
daughters, spending the winter of-
ten in this city with Mrs. B. C. Skin-
ner. Mr. Keller was 76 years of
age and was a veteran of the civil
war, serving three years as a mem-
ber of Co. D, 73rd Indiana regiment.
The daughters surviving Mr. Keller
are Mrs. Dora Nichols of Kansas
City, Mo., Mrs. Florence Boyce and
Mrs. Kate, Mason of Howard, Kan.,
and Mrs. Jennie Skinner of Chicago.
The burial was made Tuesday,
Jan. 16, in Mt. Washington cem-
etery, Kansas City.

FORGER CAUGHT BY

MACOUPIN COUNTY SHERIFF
Franklin Times—Frank Clevenger
who passed forged checks at C. J.
Whitlock's store and on Harry L.
Fox here on New Year's day, has
been captured by Macoupin county
authorities. The checks were drawn
on a Scottville bank and bore differ-
ent signatures but came back as
worthless. Clevenger's scheme was
to make a small purchase, tender a
check and get the balance in change.
He took 100 loaded shells at Whit-
lock's where Jesse Brower waited on
him, and secured a pair of shoes
from Fox. The merchandise is in the
hands of the sheriff of Macoupin
county and will no doubt be returned
to the owners.

Richelieu spiced fruits. Doug-
las Grocery.

VISITORS AT ALEXANDER.

Mrs. Alice Kumble and Mrs. Henry
Hall of Alexander had as their guests
Friday Mrs. Thomas Headden, son
Robert, and grandson Freeman Hop-
per, this city, and Mr. and Mrs. B. C.
Headden, LaHarpe, Ill., who have for
several days been visiting in this
vicinity.

WITH THE SICK

Mrs. W. J. Young on North Dia-
mond street is very sick.

Mrs. James McCormick of the
southeast part of the county under-
went a serious operation at Passa-
vant hospital Thursday and is do-
ing very well so far.

Stansfield Baldwin was in the city
yesterday after several weeks
wrestling with the lagsrippe.

Mrs. Josephine Gouvenard of Doolin
avenue is recovering from an illness
of a few weeks.

Joseph Steinmetz is able to be out
after a sickness of some weeks.
Frank J. Kaiser, who five weeks
ago underwent an operation in St.
John's hospital, Springfield was able
Friday to return to his home in Al-
exander.

Try Schrag & Cully's Fancy Peaberry Coffee at 25c pound. It's fine. Phone 268. Schrag-Cully Coffee Co.

Mr. and Mrs. J. T. Little of Alexander were in the city Friday on their way to St. Louis and Monett, Mo., where they will visit for several days before proceeding to Los Angeles, Cal., to spend the next few months.

SOCIAL EVENTS

Miscellaneous Shower for Miss Crim.

Miss Irene Smith gave a miscellaneous shower for Miss Veva Crim at her home 744 South Church street Friday evening. Miss Crim is soon to be married to Charles Maynard. The guests numbered twenty and were members of the Kewpie Klan and intimate friends of Miss Crim. The evening was spent with games and music. Prizes were won by Miss Augusta Carlson and Miss Irene Park. During the evening refreshments were served.

Dr. and Mrs. Rammelkamp Entertained Faculty and Students.

In accordance with a well established annual custom President and Mrs. Charles H. Rammelkamp entertained members of the faculty and the student body of Illinois college Friday night. These yearly occasions are looked forward to with so much pleasure that roll call would have indicated nearly 100 per cent attendance. The program for the evening included the presentation of four plays, one by each of the college classes. Three of the plays had been written by individuals and the fourth by a class committee. The plays by classes were:

Freshmen—"Dance of the Goops."

Sophomores—"Oh Hell, What Have We Here?"

Juniors—"A Mock Faculty Meeting."

Seniors—"The Internal Troubles of the Catalogue."

All of the plays showed wit, wisdom and ability and the judges had no easy task in making their award, which finally went to the seniors. The judges were Mrs. Edward P. Kirby, Professors Munger, Kitch and Robinson.

The senior play was written by Henry Caldwell, the sophomore by George Barrette and the junior by Paul Watkins. The freshman play was given in costume and was planned by a committee from the class. For several years these plays have featured the annual reception and the presentation for 1917 was readily acknowledged to have eclipsed former records. Following the plays came a social hour and the girls of Whipple academy served refreshments.

WILL TAKE JEFFRIES' BAND TO SPRINGFIELD

Big Delegation Expected to go on Special Train from This City

Bryan to be Star of Dry Demonstration.

A special train on the Wabash starting from Quincy at 8 a. m. will leave Jacksonville Tuesday morning at 11:15. Indications are that a big Jacksonville delegation will travel on this train to Springfield to take part in a dry demonstration which will be a monster of its kind. Drys from all parts of the state will be present at the arsenal at 2 o'clock in the afternoon, when Hon. W. J. Bryan will speak on the liquor issue. The Quincy delegation will bring a band and stops will be made at most of the towns between Quincy and Jacksonville.

The delegation from this city will be accompanied by the Jeffries band and no stops will be made between Jacksonville and Springfield. The train's schedule calls for arrival at 12:05 at the capital city. After the train pulls into the Springfield station the excursionists will form a parade and march to the St. Nicholas hotel, where other bands and delegations will be in waiting for a general parade. The fare for the round trip will be \$1.35, and tickets must be secured thru the committee, of which H. J. Rodgers is chairman. The special train returning will leave Springfield at 6 p. m.

A few years ago a dry demonstration in Springfield would not have attracted great attention but times have changed and one of the largest audiences ever assembled in Springfield is expected to hear Col. Bryan. At night he is to make another address for the special purpose of adding to the interest in the campaign which will be inaugurated to make Springfield dry. The petitions for the election are to be signed at churches Sunday and it is expected that the necessary names will all be secured on this one day. Men and women of Jacksonville who are interested in the dry cause are earnestly urged to accompany the delegation in Springfield, enjoy the afternoon and aid the cause by their presence and enthusiasm.

SURPRISE FOR MR. GOEHEEN

L. Goheen was much surprised Friday by being informed on going to the dinner table, that, inasmuch as it was his 74th birthday, his daughters had prepared an excellent treat for him in the shape of an anniversary feast. Among those present were Earl Goheen, his nephew, and the latter's mother, Mrs. Samuel Akers of Portland, Ore., who was formerly the wife of Mr. Goheen's brother. The dinner was prepared by Misses Rosa and Marie Goheen and was of the finest quality.

FUNERALS

Lunch

Funeral services for Mrs. Lucy Lynch were held from Mt. Emory Baptist church Friday afternoon at 2:30 o'clock in charge of the Rev. E. L. Scruggs. The church was completely filled with friends which served to show the respect and esteem in which the deceased was held in the community.

Dr. Scruggs took his text from the gospel of Matthew 25:21. "Well done thou good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord."

The pastor said that the deceased had ever been faithful. Her life had been quiet and unobtrusive, had yet impressed itself upon her home and her neighbors. She loved her family and was a good mother. The lesson that he drew for the living was that being faithful to your trust and faithful to the Master assured the life everlasting.

Music was furnished by the choir of the church. There were many floral offerings and these were cared for by Mrs. Alice Hill, Mrs. Lydia Mallory, Miss Josie Waddie and Mrs. Stella Stewart. Burial was in Jacksonville cemetery, the bearers being Charles Jackson, Henry Guthrie, Frank Tate, John Yates, William Jones and Ellis Moore. All of the children of the deceased except her daughter Susie who resides in Los Angeles, California, were present at the funeral.

Grigg.

Funeral services for Elizabeth Jane Grigg were held from the residence, 229 South Church street at 10 o'clock Friday morning. The services were private and were in charge of the Rev. J. F. Langton, rector of Trinity church. The flowers were cared for by Mrs. Harry Cully and Mrs. Thurman Haskell. Burial was in Diamond Grove cemetery.

Wheeler.

Funeral services for Henry Wheeler were held Friday forenoon at 11 o'clock at Hartland Baptist church. In charge of the Rev. Newton Andrews of Manchester, assisted by the Rev. Isaac Vaughn of Carlisle, Mr. Wheeler passed away Wednesday night at the home of his daughter, Mrs. G. J. Dowell of Franklin.

The music was furnished by the combined choirs of Providence M. E. and Hartland churches. Lester Cox sang a solo. Burial was made in Hartland cemetery. The bearers were grandsons of the deceased. They were Lawrence Seymour, Grover Hughes, Bruce Wheeler, Harmon Wheeler, Jesse Wheeler and Ralph Wheeler.

The many beautiful flowers were cared for by Mrs. Harmon Wheeler and Mrs. Jesse Wheeler. Among the large number present were a number of friends and relatives from Macoupin county.

Don't let the winter pass without buying a suit of Knoles.

CONGRESS CRITICISED BY FORMER PRESIDENT

WASHINGTON, Jan. 19.—Congress was criticised by Former President Taft in a speech at the National Press Club tonight for wasting its time and the peoples' money on such activities as the so-called leak investigation. He predicted that the entire episode would pass away as "a bad smell."

"I have observed," Mr. Taft said, "that there are some gentlemen who feel that there is an exigency now in the history of the country that requires some means of protecting the reputation of men in high places. I agree with the idea that it is too bad to have irresponsible stories and dreams put out as serious to find their ways into headlines affecting the reputation of men who are entirely helpless to defend themselves."

MANY AMERICANS SEEK REFUGE

WASHINGTON, Jan. 19.—Word received today in a cablegram from Ambassador Elkus from Constantinople that the number of Americans seeking to leave Syria and Palestine had grown from a few hundred to more than a thousand and caused the state department to arrange with the navy for the definite use of the Cruiser Des Moines and the Collier Cascar to bring the refugees out, Barcelona, Spain, the nearest neutral port has been selected as the place at which to land the Americans for trans-shipment home on commercial lines.

Most of the refugees are naturalized Syrians, Armenians and Hebrews. There are also native American missionaries, some of whom have been trying for a year to get out of the stricken district.

DEUTSCHLAND EXPECTED SOON.

Bridgeport, Conn., Jan. 19.—The German Merchant Submarine Deutschland is expected to arrive in New London harbor within the next 48 hours, according to George L. McGovern, collector of customs for Connecticut.

SOCIAL EVENTS

Miscellaneous Shower for Miss Crim.

Miss Irene Smith gave a miscellaneous shower for Miss Veva Crim at her home 744 South Church street Friday evening. Miss Crim is soon to be married to Charles Maynard. The guests numbered twenty and were members of the Kewpie Klan and intimate friends of Miss Crim. The evening was spent with games and music. Prizes were won by Miss Augusta Carlson and Miss Irene Park. During the evening refreshments were served.

Dr. and Mrs. Rammelkamp Entertained Faculty and Students.

In accordance with a well established annual custom President and Mrs. Charles H. Rammelkamp entertained members of the faculty and the student body of Illinois college Friday night. These yearly occasions are looked forward to with so much pleasure that roll call would have indicated nearly 100 per cent attendance. The program for the evening included the presentation of four plays, one by each of the college classes. Three of the plays had been written by individuals and the fourth by a class committee. The plays by classes were:

Freshmen—"Dance of the Goops."

Sophomores—"Oh Hell, What Have We Here?"

Juniors—"A Mock Faculty Meeting."

Seniors—"The Internal Troubles of the Catalogue."

All of the plays showed wit, wisdom and ability and the judges had no easy task in making their award, which finally went to the seniors. The judges were Mrs. Edward P. Kirby, Professors Munger, Kitch and Robinson.

The senior play was written by Henry Caldwell, the sophomore by George Barrette and the junior by Paul Watkins. The freshman play was given in costume and was planned by a committee from the class. For several years these plays have featured the annual reception and the presentation for 1917 was readily acknowledged to have eclipsed former records. Following the plays came a social hour and the girls of Whipple academy served refreshments.

WILL TAKE JEFFRIES' BAND TO SPRINGFIELD

Big Delegation Expected to go on Special Train from This City

Bryan to be Star of Dry Demonstration.

A special train on the Wabash starting from Quincy at 8 a. m. will leave Jacksonville Tuesday morning at 11:15. Indications are that a big Jacksonville delegation will travel on this train to Springfield to take part in a dry demonstration which will be a monster of its kind. Drys from all parts of the state will be present at the arsenal at 2 o'clock in the afternoon, when Hon. W. J. Bryan will speak on the liquor issue. The Quincy delegation will bring a band and stops will be made at most of the towns between Quincy and Jacksonville.

The delegation from this city will be accompanied by the Jeffries band and no stops will be made between Jacksonville and Springfield. The train's schedule calls for arrival at 12:05 at the capital city. After the train pulls into the Springfield station the excursionists will form a parade and march to the St. Nicholas hotel, where other bands and delegations will be in waiting for a general parade. The fare for the round trip will be \$1.35, and tickets must be secured thru the committee, of which H. J. Rodgers is chairman. The special train returning will leave Springfield at 6 p. m.

A few years ago a dry demonstration in Springfield would not have attracted great attention but times have changed and one of the largest audiences ever assembled in Springfield is expected to hear Col. Bryan. At night he is to make another address for the special purpose of adding to the interest in the campaign which will be inaugurated to make Springfield dry. The petitions for the election are to be signed at churches Sunday and it is expected that the necessary names will all be secured on this one day. Men and women of Jacksonville who are interested in the dry cause are earnestly urged to accompany the delegation in Springfield, enjoy the afternoon and aid the cause by their presence and enthusiasm.

SURPRISE FOR MR. GOEHEEN

L. Goheen was much surprised Friday by being informed on going to the dinner table, that, inasmuch as it was his 74th birthday, his daughters had prepared an excellent treat for him in the shape of an anniversary feast. Among those present were Earl Goheen, his nephew, and the latter's mother, Mrs. Samuel Akers of Portland, Ore., who was formerly the wife of Mr. Goheen's brother. The dinner was prepared by Misses Rosa and Marie Goheen and was of the finest quality.

FUNERALS

Lunch

Funeral services for Mrs. Lucy Lynch were held from Mt. Emory Baptist church Friday afternoon at 2:30 o'clock in charge of the Rev. E. L. Scruggs. The church was completely filled with friends which served to show the respect and esteem in which the deceased was held in the community.

Dr. Scruggs took his text from the gospel of Matthew 25:21. "Well done thou good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord."

The pastor said that the deceased had ever been faithful. Her life had been quiet and unobtrusive, had yet impressed itself upon her home and her neighbors. She loved her family and was a good mother. The lesson that he drew for the living was that being faithful to your trust and faithful to the Master assured the life everlasting.

Music was furnished by the choir of the church. There were many floral offerings and these were cared for by Mrs. Alice Hill, Mrs. Lydia Mallory, Miss Josie Waddie and Mrs. Stella Stewart. Burial was in Jacksonville cemetery, the bearers being Charles Jackson, Henry Guthrie, Frank Tate, John Yates, William Jones and Ellis Moore. All of the children of the deceased except her daughter Susie who resides in Los Angeles, California, were present at the funeral.

Grigg.

Funeral services for Elizabeth Jane Grigg were held from the residence, 229 South Church street at 10 o'clock Friday morning. The services were private and were in charge of the Rev. J. F. Langton, rector of Trinity church. The flowers were cared for by Mrs. Harry Cully and Mrs. Thurman Haskell. Burial was in Diamond Grove cemetery.

Wheeler.

Funeral services for Henry Wheeler were held Friday forenoon at 11 o'clock at Hartland Baptist church. In charge of the Rev. Newton Andrews of Manchester, assisted by the Rev. Isaac Vaughn of Carlisle, Mr. Wheeler passed away Wednesday night at the home of his daughter, Mrs. G. J. Dowell of Franklin.

The music was furnished by the combined choirs of Providence M. E. and Hartland churches. Lester Cox sang a solo. Burial was made in Hartland cemetery. The bearers were grandsons of the deceased. They were Lawrence Seymour, Grover Hughes, Bruce Wheeler, Harmon Wheeler, Jesse Wheeler and Ralph Wheeler.

The many beautiful flowers were cared for by Mrs. Harmon Wheeler and Mrs. Jesse Wheeler. Among the large number present were a number of friends and relatives from Macoupin county.

Don't let the winter pass without buying a suit of Knoles.

CONGRESS CRITICISED BY FORMER PRESIDENT

WASHINGTON, Jan. 19.—Congress was criticised by Former President Taft in a speech at the National Press Club tonight for wasting its time and the peoples' money on such activities as the so-called leak investigation. He predicted that the entire episode would pass away as "a bad smell."

"I have observed," Mr. Taft said, "that there are some gentlemen who feel that there is an exigency now in the history of the country that requires some means of protecting the reputation of men in high places. I agree with the idea that it is too bad to have irresponsible stories and dreams put out as serious to find their ways into headlines affecting the reputation of men who are entirely helpless to defend themselves."

MANY AMERICANS SEEK REFUGE

WASHINGTON, Jan. 19.—Word received today in a cablegram from Ambassador Elkus from Constantinople that the number of Americans seeking to leave Syria and Palestine had grown from a few hundred to more than a thousand and caused the state department to arrange with the navy for the definite use of the Cruiser Des Moines and the Collier Cascar to bring the refugees out, Barcelona, Spain, the nearest neutral port has been selected as the place at which to land the Americans for trans-shipment home on commercial lines.

Most of the refugees are naturalized Syrians, Armenians and Hebrews. There are also native American missionaries, some of whom have been trying for a year to get out of the stricken district.

DEUTSCHLAND EXPECTED SOON.

Bridgeport, Conn., Jan. 19.—The German Merchant Submarine Deutschland is expected to arrive in New London harbor within the next 48 hours, according to George L. McGovern, collector of customs for Connecticut.

NET PROFITS LESS THAN SIX PER CENT

Altho Railroads of U. S. Have Record Year for Earnings—Increased Costs of Rolling Stock and Labor Responsible

New York, Jan. 19.—Less than six per cent profit was netted by the railroads of the United States in 1916, altho it was a record for earnings, according to a statement made public here tonight by the railway executives advisory committee. Increased costs of rolling stock and labor, are held responsible for this small yield on the total value of railroad property used by the public during the year. The statement given out by Francis H. Sisson, assistant to Frank Trumbull chairman of the committee said:

"Of the railroad dollar, more than 43 cents went to labor, almost 17 cents for material and supplies, approximately five cents to taxes, more than 8 cents for fuel and locomotive supplies, more than 2 cents for loss and damage, approximately four cents for leased roads, almost 1 cent for betterments, almost 1 cent to interest and debt and barely five cents to dividends and surplus."

"Since Jan. 1, 1916," it was stated, "orders were placed for about 2,900 locomotives or 1,300 more than the year before, at an increase of \$5,000 to \$15,000 each over 1914 prices."

"Already indications are not wanting that a reduction in railroad earnings is under way."

Basketball tonight 7:30 Jacksonville High vs. Alton High. David Prince gymnasium.

CONFIRM NOMINATIONS

Washington, Jan. 19.—The nominations of William Denman of San Francisco, Bernard N. Baker of Baltimore, James B. White of Kansas City and Theodore Brent of New Orleans as members of the federal shipping board were confirmed tonight by the senate. Opposition by Progressive Republicans to John A. Donald of New York the fifth member of the board held up his confirmation.

FRIDAY IN CONGRESS.

President Wilson conferred with steering committee urging enactment of his legislative program at this session.

Considered legislative appropriation bill.

Confirmed William Denman, Bernard N. Baker, James B. White and Theodore Brent as members of shipping board, but held up confirmation of John A. Donald.

Adjourned at 6:05 p. m., to 10:30 a. m. Saturday.

House.

Considered public buildings appropriation bill.

Speaker Clark named committee of twenty five to represent the house at Dewey funeral.

Passed omnibus public buildings bill carrying \$38,000,000.

Took up river and harbor appropriation bill.

Adjourned at 6:35 p. m., to 10:45 a. m. Saturday.

ISSUES AN APPEAL TO POLISH NATION

Berlin, Jan. 19.—By Wireless To Sayville.—The Polish state council, says the Overseas News Agency, has issued the following appeal to the Polish nation:

"The endeavor of the state council will be directed toward the speedy preparation of a legislative parliament and the drafting for the kingdom of a constitutional machine which will correspond to modern necessities and will be based on equal rights to all citizens."

"The state council also announces the formation of a Polish National army."

ASSISTED AT FUNERAL.

In the report of the funeral services for Capt. Alexander Smith yesterday mention should have been made of John Pyatt and John Claus, buglers, who assisted when "Taps" sounds at the grave.

FIRE SWEEPS RAILROAD SHOPS.

Lima, O., Jan. 19.—Fire which swept the Cincinnati, Hamilton & Dayton railroad shops here tonight did \$200,000 damage in less than an hour. The main shop building and eleven passenger coaches were completely destroyed.

VETERAN RESIDENT TAKEN BY DEATH

J. Fred Nagle Dies Friday Afternoon at North Main Street Home—Born in Germany 81 Years Ago—Funeral Monday Afternoon.

John Frederick Nagle quietly passed away Friday afternoon at 4 o'clock at his home 718 North Main street, after an illness which had kept him confined but little more than a week. Mr. Nagle had made this city his home since 1867 and was in his eighty-second year. He was upright and honest in all his dealings and, tho unassuming in his manner of living, was widely known and highly esteemed by the many friends he had formed thru a life as useful as it was long and honorable.

Mr. Nagle was for seven years a sexton of Jacksonville cemetery, retiring in 1907. His health remained good and he was well able to get about until a year ago when the infirmities of age began to claim him. Mr. Nagle was well known in local circles and especially did he take an interest in Masonry. He was a member of Harmony Lodge No. 3, A. F. & A. M. and was an honored member of Urania Lodge No. 243, I. O. O. F., holding membership also in Matt Starr Post, G. A. R.

Mr. Nagle was born Dec. 2, 1835, in Osterburg, Prussia, and came to this country in July, 1858, making his home in St. Louis and afterwards in Beardstown. He was for a time engaged in farm work near Meredosia and it was from the last named place that he enlisted for service in the war of the rebellion, going southward with Co. A of the 101st regiment and remaining in the service until the close of the war. He was mustered out in Washington and then went to Germany to pay a visit to his old home. He remained in the Fatherland two years and on coming to this city went to work in a planing mill. Mr. Nagle had learned the trade of cabinet making as a boy in the old country. For twenty years he was employed by Hugh Wilson, Sr., in the mill just north of the Wabash railroad.

Mr. Nagle was street commissioner in 1882, during the first term of Mayor Charles H. Widmayer. He was for a considerable time engaged in contracting and carpentry work.

In 1869 Mr. Nagle was married to Miss Elizabeth Engel and to them were born three children, Elizabeth, the wife of J. A. Hoffman of Springfield; Fred Nagle, who died Nov. 17, 1889, and Emma, the wife of John E. Hall of Meredosia. He is survived also by eight grandchildren.

Mr. Nagle was a faithful member of the Presbyterian church, uniting with the old First Presbyterian congregation soon after coming to the city.

The funeral will be held Monday afternoon at 2:30 o'clock. Services will be conducted by the Rev. R. B. Wilson, pastor of State Street Presbyterian church, at the home of Mr. Nagle, on North Main street.

SONG RECITAL.

By Florence Pierson Hartmann, Jan. 22, 8:15 p. m.

MAKE LARGE PURCHASES

Washington, Jan. 19.—Canadian importers are purchasing in the United States five times as much goods as they are taking from the United Kingdom as shown in statistics made public today by the bureau of foreign and domestic commerce.

ASKS PERMISSION TO PASS THRU PANAMA CANAL.

Washington, Jan. 19.—Application for permission to pass thru the Panama canal by a Japanese merchant ship with guns mounted "for defensive purposes," as stated by her commanding officer has caused governor Harding of the canal who is now in Washington to ask for a definition of the rule to be followed in such cases. The war department has referred the matter to the state department for a decision.

WILL BE ABLE TO CARRY OUT SPANISH ORDERS

Washington, Jan. 19.—Germany, official reports received here today, say, is flooding Spain with circulars advising Spanish traders that the industries, factories and means of production in Germany have remained intact despite the war and that immediately after peace is declared the Germans will be ready to carry out Spanish orders as of old.

Spanish plants are requested not to give orders to the allies or to neutrals during the period of the war.

\$75,000 FIRE DAMAGE

Savanna, Ill., Jan. 19.—Losses totaling approximately \$75,000 was caused by a fire, discovered about midnight, which completely destroyed Fulrath's opera house, a three story brick building, owned by J. D. Fulrath, and damaged adjoining buildings. A lighted cigarette stub, dropped in the lobby of the second floor theatre, is believed to have been responsible.

EXPLOSION IN BRITISH MUNITIONS FACTORY

London, Jan. 19.—The following official communication was issued tonight:

"The ministry of munitions regrets to announce that an explosion occurred at a munitions factory in the neighborhood of London."

"It is feared that the explosion was attended by a considerable loss of life and damage to property."

WEALTHY FARMER DIES.

Peoria, Ill., Jan. 19.—R. A. Whiteford, 54, a wealthy farmer of Mantoloking, died today at Los Angeles, Cal., according to a message received here tonight.

INVENTOR DEAD

Peoria, Ill., Jan. 19.—According to a message received here tonight C. E. Beckwith, 67, a prominent inventor and artist of Peoria died at Miami, Fla., today.

STAFFORD REPUDIATED HIS TESTIMONY

Witness in Mooney Murder Trial Declares Under Oath That He Had Been Mistaken in Yesterday's Session.

San Francisco, Jan. 19.—Declaring under oath that he had been mistaken yesterday when he said that the bomb which exploded here last July killing 10 persons "exploded before it struck the ground," Dr. Davis E. Stafford, coroner's autopsy surgeon today repudiated his testimony while under cross-examination by the defense in the murder trial of Thomas J. Mooney, accused of complicity in the crime.

In reply to rapid fire questions by Attorney W. Burke Cockran, heading Mooney's counsel, Dr. Stafford asserted that as seven of the victims received wounds below their waists and of these three suffered mangled legs and feet, he was forced to the conclusion that the "force of the explosion must have been upward."

Yesterday he said that he believed it was probable that the bomb had exploded in the air. The prosecution contends the bomb exploded from the sidewalk.

Court adjourned late today until next Monday morning.

All manner of cold weather clothing cheapest at Knoles'.

JACKSONVILLE PEOPLE DOING WELL IN WEST.

Mrs. James F. Harvey Has Pleasure of Renewing Old Acquaintance in Denver, Colo.

Mrs. James F. Harvey, 313 East College street, returned Friday morning from a stay of several weeks in the west. On her return she made a visit of several days in Denver, Colo., and was the guest of Charles Crum and family, who recently purchased a handsome brick residence property at 2050 Clarkson street. On leaving Jacksonville five years ago, Joslin, daughter of Mr. and Mrs. Crum was in bad health and was threatened with tuberculosis. She has completely regained her health and is a student now in a Denver high school. Mr. Crum is assistant engineer in the county jail at Denver.

Among other Jacksonville people visited by Mrs. Harvey were Miles Kehoe and daughter, Miss Leona, and Mr. and Mrs. James Meany. Mrs. Meany has an excellent position in the city hall at Denver and Mr. Meany also has a responsible position. Mr. Kehoe has a good position in a railroad shops in Denver.

Miss Kehoe has employment in one of Denver's largest dry goods firms. She has made herself popular in Denver society circles and recently received honorable mention in a section of the Denver Post, devoted to the beautiful young women of the city.

Mrs. Harvey was called west by the serious illness of her sister, Mrs. A. W. Eager of Ogden, Utah. She remained in Ogden as long as possible but regrets to report that her sister is little, if any, improved.

LATE COL. BUTLER'S WIDOW TESTIFIES

Principal Witness for State in Trial of Harry G. Spannell Charged With Killing His Wife.

San Angelo, Texas, Jan. 19.—Mrs. Malcolm C. Butler of Nashville, Tenn., widow of the late Lieut. Col. M. C. Butler, was the principal witness for the state this afternoon in the trial of Harry G. Spannell, charged with shooting and killing his wife, Mrs. Crystal Holland Spannell, at Alpine, Texas, July 20, last.

Mrs. J. R. Holland, mother of Mrs. Spannell also testified for the state.

Spannell is under indictment for the killing of Colonel Butler, the case to be Jan. 25.

Mrs. Butler told of the automobile ride she, Mrs. Spannell and Mr. Butler took shortly before the shooting to the home of a woman suffering from tuberculosis who had written Colonel Butler asking him to furnish a tent so she could live in the yard instead of in the house. After Butler conferred with the woman the witness testified they returned to the hotel all three going to Butler's room to wash their hands fearing contagion from the sick woman.

While in Butler's rooms, Mrs. Butler said Spannell came upstairs and she saw him peering about as if looking for some one. Then he saw Mrs. Spannell in the door of Butler's room and, according to the witness said:

"Crystal, haven't I told you not to come up here alone?"

"I'm not alone; Mrs. Butler is here," Mrs. Spannell replied.

"Spannell then called to me asking if I was there," the witness continued. "Spannell was angry and said, 'hereafter, when you come up here, turn on the lights.' The lights had been turned off preparatory to going downstairs, Mrs. Butler said, Butler already having gone down."

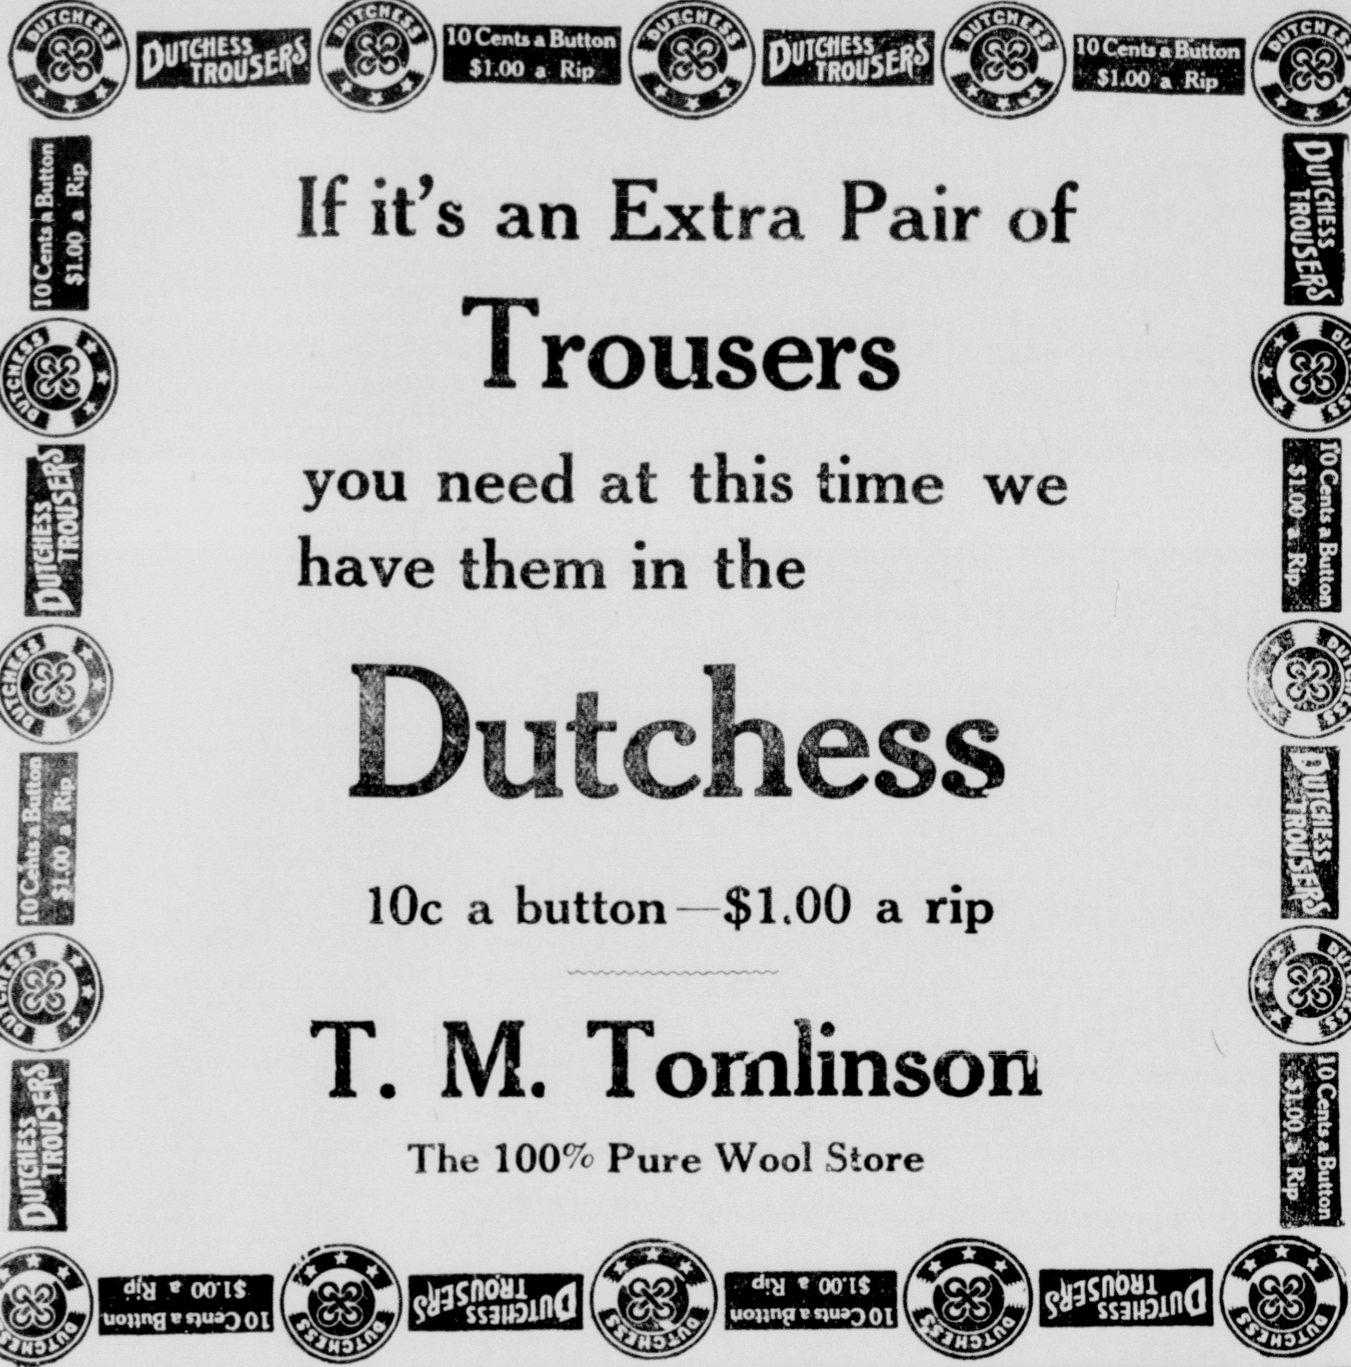

Spannell, his wife and witness then went downstairs, Mrs. Butler said, and while she was waiting for her husband to come in from the street, Spannell, his wife and their little daughter got in the automobile. After going a few feet the witness testified Spannell stopped the car, the daughter got out and Spannell called to Butler:

"Mayor, come get in."

Butler did so and the car drove off. In a few minutes she heard of the shooting. Mrs. Butler had not been cross examined when court adjourned until tomorrow.

CHANGE MEETING DATE

Bloomington, Ill., Jan. 19.—The convention committee of the Illinois medical society in session here today decided that the annual meeting would be held in Bloomington May 8, 9, 10, instead of 15, 16, and 17 because the dates conflicted with the G. A. R. encampment which also is said to be held here during May.

FULL INVESTIGATION IS RECOMMENDED

By Trade Commission of Market and Food Problems—Protest Against Increase of Grazing Fees

Cheyenne, Wyo., Jan. 19.—The report of the market committee of the American National Livestock commission in session here today definitely recommended full investigation by the federal trade commission of market and food problems. The report was read by A. E. Riccard of Denver, secretary of the committee. Stockmen vigorously protested against the increase in federal grazing fees with the result that Secretary of Agriculture David Houston postponed his departure for a special hearing tomorrow when the matter of fees and market questions will be considered.

Secretary Houston in an address favored authorization of an investigation of the meat industry.

Wilson Makes Statement
Chicago, Jan. 19.—Thomas E. Wilson, a Chicago packer said tonight that the packers' board was not withdrawn opposition to a federal investigation in connection with the convention of the American National Livestock association at Cheyenne, Wyo., today.

"We agreed to an investigation of the entire livestock industry from the farm to the consumer, including ourselves," said Mr. Wilson. "But not ourselves alone."

Basketball tonight 7:30 Jacksonville High vs. Alton High. David Prince gymnasium.

CHARGED WITH KILLING HUSBAND

Joplin, Mo., Jan. 19.—Mrs. Effie Livingston, 33 years old, tonight was arrested on a warrant charging her with killing her husband, Charles Livingston on Sept. 21, 1915. The warrant was issued upon information furnished by Mrs. James DeGraffenreid who recently obtained a judgment of \$2,500 against Mrs. Livingston, charging she won DeGraffenreid's affection from her.

SUNK SIXTEEN SHIP.

Berlin, Jan. 19.—By wireless to Sayville.—A German submarine commanded by Lieut. Captain Wuensch says the Overseas News Agency on its last trip sank sixteen ships aggregating 26,000 gross tons.

TRIAL WILL LAST MONTH

Chicago, Jan. 19.—Trial of the government's case against the officials and sales managers of the Independent Harvester Company of Plano, Ill., charged with using the mails to defraud farmers, is expected to continue at least a month longer, it was said today.

BRITISH AUTHORITIES ISSUE WARNING.

Rio Janeiro, Jan. 19.—The British authorities have issued a warning to shipping companies that the captured British steamer St. Theodore has been converted into a German commerce raider and is cruising along the Atlantic steamship routes. Secret instructions have been given to the companies regarding routes to be followed.

JUROR UNABLE TO DEFINE WORDS

Chicago, Jan. 19.—Because he couldn't define the words hypothesis, compatible, incompetent, scrupulous, inculpable, and presumption, Thomas Dahl was excused as a juror in the criminal court here today.

VOPICKA APPLIES FOR LEAVE.

Washington, Jan. 19.—In a message received today Minister Vopicka accredited to Roumania and now at Berlin applied for leave of absence on account of ill health. He probably will return to this country for a several month's rest at the conclusion of which his future status will be considered.

LIVELY ACTION URGED BY PRESIDENT WILSON

Entire Program of Reforms Advocated Wanted On Statute Books By March 4th.

Washington, Jan. 19.—Members of the senate steering committee today were earnestly urged by President Wilson to get into lively action on administration legislative measures so that the entire program of reforms advocated by the president when he entered the White House might be on the statute books by March 4th.

To impress upon the Democratic leaders his view the president made another trip to the senate office building and discussed the clogged legislative calendar, with Senator Kerns, Williams, Thomas, Reed, James and Chamberlain for more than two hours.

He made it clear that he was anxious for action on all measures he outlined at the beginning of the session including railroad legislation as the paramount issue, water power and other conservation bills, a corrupt practices measure, the Webb collectively foreign selling agency and the Porto Rican citizenship bill together with the big appropriation bills and necessary revenue legislation.

Admitting that this is a big undertaking in view of the fact that there are less than 36 legislative days remaining in the life of the 64th congress, administration leaders are considerably perturbed over the situation. The steering committee has been called to meet again Monday, when an effort will be made to agree on a program to be submitted to a caucus of senate Democrats. Many senators expressed grave doubts tonight that the program could be put thru. The water power and mineral land leasing bills are in bitter dispute.

The president's proposal for a railroad strike prevention bill pending investigation has not been got out of the interstate commerce committee and the Webb bill is certain to encounter obstacles.

In view of this there is much talk about the capitol of the probability of an extra session of the 65th congress, altho the president and administration leaders hope that the legislative wheels may be so greased and speeded as to avoid it.

MISS Z. S. DICKEY DIES

Chicago, Jan. 19.—Miss Zenatha Dickey, 82 years old, one of the six young women who acted as honorary pall bearers when the body of Abraham Lincoln rested in state in the court house in Chicago, died at her home here today.

RUMORS RAIDER IN GULF OF MEXICO.

Mexico City, Mex., Jan. 19.—Insistent rumors come from Vera Cruz that the German commerce raider now is in the Gulf of Mexico. It is expected in Vera Cruz, the reports add that the raider will make an effort to cut off the oil ships enroute from the Tampico fields for England. There is no confirmation of the rumors here.

PRESIDENTS ARRIVE IN BERLIN

London, Jan. 19.—The presidents of the parliament of Teutonic nations arrived at Berlin this morning, says a Reuter dispatch from Berlin forwarded by way of Amsterdam.

Dr. Alfred Zimmerman, the German foreign minister, has gone to Vienna according to an article in the Berlin press," the dispatch says.

RECEIVES AMERICAN NEWSPAPER WRITER

Paris, Jan. 19.—President Poincaré has received Edward Marshall an American newspaper writer at the palace of the Elysee and talked with regard to President Wilson's note and the reply of the entente allies.

Co-operative Banking System Established Under Farm Loan Act

By Frank R. Wilson
Federal Farm Loan Bureau, Washington, D. C.
(Article Six)

The main points of the Federal Farm Loan Act have been set forth in the preceding installments. The reader will readily see that this Act is a new thing in this country, and is liable to have an important effect on our social and financial life.

Let us briefly suggest some of its possible effects:

The rapidly increasing cost of living has of late given American thinkers a great deal of uneasiness. The fact is everywhere recognized that our city population has been increasing more rapidly than the rural population. Every day there are some new mouths to feed, but there is only a slowly increased acreage upon which this food is produced. Two important facts are therefore patent:

First, more farms must be established to provide homes for more producers, and, second, the land under cultivation must be farmed more carefully and with more and better equipment to meet the growing demand for food.

The farm loan Act will have a strong influence toward a realization of both of these ideals.

Farm tenantry is a curse whose worst effects are lowered fertility and inefficient farm methods. The tenant is not a normal farmer. The transient nature of his living makes maximum production impossible. He is often not a meat producer because he is not on one farm long enough to build up a herd of live stock. He is a grain farmer, and a grain farmer is a sapper of fertility. He is engaged in the pastime of hauling the fertility of his landlord's soil to market. With approximately one-half of the farm lands of the country in the hands of tenants, America is cashing in her land fertility at an amazing rate.

The farm loan Act has for one of its important purposes the placing of land into the hands of owners who will farm it with the inspiration that comes from ownership. The owner of land treats it so as to conserve its fertility. He is a permanent fixture in the neighborhood. He markets his crop thru his live stock, returning the fertility to the soil. A nation of land owners means a nation with a constantly increasing capacity to produce food for its people.

But the farm loan Act will do more for agriculture than merely supplying cheap money. The Act actually specifies how the money borrowed shall be spent. It says that unless used to pay debts, it shall be spent on things that will contribute

to more production on the same acreage. So the farm loan Act means a higher and better type of agriculture.

But some students of the Act believe its greatest contribution will be the stimulation to the practice of cooperation. Cooperation is its basic fact. Farmers are required to get together into groups to secure its benefits. When they put their mortgages together for the sake of getting cheaper money, they will also form the habit of cooperating in other problems of common interest. Who knows but that these cooperative associations may become the business and social units of farm society?

The financial saving to the farmer of America would alone be enough to justify this enactment. On a volume of four billion dollars our farmers are paying now nearly 9 per cent annually, all of which is a tax on all the people because it limits their consumption by handicapping the producer. If this rate should be reduced by 4 per cent it would mean an actual annual saving of \$160,000,000. But this estimate of the money to be saved does not take into consideration the fact that the normal value of farm loan business will greatly increase with an advantageous interest rate.

The success of the Farm Loan Banking system is now up to the farmers themselves. They have been given the cooperative machinery to finance themselves without profit to any individuals. They have been given the machinery for governing their own financial institutions and maintaining control of them. So carefully is their ownership guarded, no matter who buys stock in the Federal land banks eventually none but the farmers may have voting power. Yes, the Federal Farm Loan Act is somewhat revolutionary. It upsets all past practices in farm finance. It puts the interests of the majority above the interest of the few. It gives the under dog a chance. It writes "Humanity First" across the ledger of modern business.

Editor's note: These articles on the Farm Loan Act have been necessarily brief. There are many details about the application of the Act that could not be recorded here. The Farm Loan Board has issued five bulletins containing all this information, and if any reader of The Journal is interested in receiving them, a letter addressed to this office or to the Farm Loan Board at Washington, D. C., will bring them to you free of charge.

CAPT. SMITH'S PROPERTY IN HANDS OF TRUSTEE

Dr. F. M. Rule, Brother-in-Law of Deceased, is Trustee and Executor—Trust Will Continue Thru Many Years.

The will of the late Capt. Alexander Smith was filed Friday in the office of County Clerk Bourn. By this will all of the property of Capt. Smith is placed in the hands of Dr. F. M. Rule as executor and trustee. The proceeds each year are to be divided into six parts payable as follows: One to Mrs. Mollie Smith Rule, one to F. M. Rule, one to Alexander Smith, Jr., one to John M. Rule, nephew of the deceased, one to Sarah Lee Rule, grand niece, of the testator, and one part to Mrs. Florence Adams, a sister of the late Mrs. Smith. The trust is to continue as long as any of the six survive and after the death of the last of the beneficiaries the property will still form a part of the Smith estate and will be distributed according to law.

Dr. Rule as executor and trustee has authority to name his own successor in this position of trust and he himself is to serve without bond. If he elects the trusteeship may continue almost without end. The will was drawn Dec. 17, 1914, with Edward Bowe, Dora B. Moore and Lena C. Engel as the witnesses. The will provides for the payment of all just debts and funeral expenses and then all personal and real property which the deceased owned is bequeathed to the brother-in-law, Franklin M. Rule, as trustee.

The real estate belonging to Capt. Smith included the residence property adjoining the Dunlap hotel which was for several years his home. The residence property at 1153 West State street, now leased to H. B. Brady, the Dunlap Hotel property on the north side of the square known as the Park hotel property; lots 55 and 53 in the Car shops addition, and lots 15 and 3 in the Capital Hill addition to the city of Helena, Mont.

Dr. Rule as trustee is directed to pay all taxes, to keep the properties in good condition, to lend money of the estate which accrues, to collect rents and to attend to all the business of the estate. Provision is made that Dr. Rule and his wife, Mrs. Mollie Smith Rule, shall have the right to occupy the residence property adjoining the hotel so long as either of them shall live and shall have the use also of all the furnishings and fixtures contained in the house. Provision is made that the trustee shall sell the Car shops lots and the property in Helena, Mont., at either public or private sale as soon as considered advisable following the death of Capt. Smith. It is directed that the trustee, who is to collect all rents and moneys due the estate, shall annually pay to the beneficiaries the net income from the estate.

The trustee has authority to sell any part of the property except the late residence of Capt. Smith, provided the consent or a majority of the living beneficiaries of the testator is first secured. The beneficiaries

named are to share equally in the proceeds of the property so long as they shall live and at the death of any one the remaining beneficiaries are to divide the income equally among them. Following the death of the last of the beneficiaries the estate shall then descend to the heirs of the testator in accordance with the statutes of the state as already indicated.

JACKSONVILLE TO HAVE
A RELIGIOUS CENSUS

Work Will be Completed During the Month of February—Campaign of Personal Evangelism Proposed.

Work was begun Friday on a religious census of the city of Jacksonville. The enumeration will take into account affiliations and denominational preference as well as church membership and the chief object is to furnish data upon which more efficient religious work can be conducted. It is planned to conduct the canvass in a manner thorough and systematic and the census when completed will be of great value to ministers and other religious workers of the city.

Details of the canvass were arranged by the evangelism committee of the Jacksonville ministerial association. The members of this committee are the Rev. W. W. Theobald, the Rev. E. B. Landis, the Rev. M. L. Pontius, the Rev. A. A. Todd, and the Rev. R. B. Wilson.

Beginning next month and extending thru the month of Lenten season there will be conducted in the city a campaign of personal evangelism. This will culminate in simultaneous services the week preceding Easter.

PROBATE COURT

In the matter of the guardianship of F. T. Miller, letters of guardianship were issued and bond fixed in the sum of \$2,500.

In the estate of Mrs. Susan E. F. Barnes, report of John Goodell, executor, was filed and was disapproved, the court finding the record as presented unsatisfactory. In connection with this order another was made by Judge Thomson ordering Mr. Goodell to appear at the first day of the next term of court and show cause why he should not be removed as executor for failure to comply with the former order of the court relative to his report in Mrs. Barnes' estate.

FUNERAL NOTICE.

The funeral of Paul Francis Rousey, infant son of Mr. and Mrs. W. E. Rousey, will be held this forenoon at 10 o'clock at the home of the parents in Pisgah. Burial will be made in Roberts cemetery.

NEW MASONIC LODGE FOR MORGAN COUNTY

Woodson Masons, for the Most Part Attendant at Murrayville Plan Independent Organization and Have Prepared Petition to be Sent to the Grand Master.

A meeting of the Masons of Woodson and vicinity was held in the Woodson I. O. O. F. hall Friday evening at 7 o'clock. The meeting was called to order by William Nicol, who requested nominations for chairman. C. C. Self was nominated and duly elected and S. J. Baxter was chosen secretary of the meeting. The chairman stated the object of the meeting was relative to the institution of a Masonic Lodge at Woodson.

A communication was read from the Grand Master, Ralph H. Wheeler, giving instructions as to the petition for the new lodge. A motion was made that the new order be called "Woodson Lodge" and this was carried. The sense of the meeting was that permission be asked from the three nearest lodges to form a new lodge at that place. The chairman appointed J. H. Devore, William Nicol and Dr. R. R. Jones as a nominating committee to select officers for the prospective lodge. Edwin Cade was appointed a committee to prepare a plat of a hall, which will be submitted to the grand master with the petition. J. T. Self reported that the I. O. O. F. hall was obtainable. The nominating committee reported that they had selected three past masters as officers of the proposed lodge, as follows: C. C. Self as worshipful master, E. W. Sorrells as senior warden and R. R. Jones as junior warden, and on motion the committee report was accepted.

A tentative motion was carried that the lodge meet on the Friday night on or following the full moon. On motion the meeting adjourned to await the permission of the concurrent lodges and until the grand master can be informed of their request for his answer returned.

The preliminary petition a copy of which will be sent at once to the grand master in Chicago, was signed by the following: S. J. Baxter, E. W. Sorrells, C. C. Self, R. R. Jones, Edward Bradley, J. T. Self, William Nicol, R. D. Megginson, J. H. Devore, Allan R. Sturdy, Wylie H. Oilham, C. W. Watson, Edwin Cade, Edgar C. Vasey, Dr. G. W. Miller, G. A. Megginson, G. T. Megginson, J. L. McCormick, J. W. Galloway, Fred M. Rook, John R. Wilson, R. W. Megginson, John H. Shirley, James T. Johnson, H. T. Barton, Jesse Henry and J. Rex Hanson.

Most of the petitioners belong to the Masonic lodge at Murrayville, which recently was removed from the meeting place at Woodson. Murrayville Lodge No. 432, A. F. and A. M. has met at Woodson for the past eight years. Removal to Murrayville was made several weeks ago.

Bell 61

The Boils Of Lazarus

were eased by the dogs who licked the infected places, but they were not cured. Many modern people employ the same method in their treatment of boils, pimples, rashes, carbuncles, eczema and other skin diseases. They apply a salve or lotion to the sore places and fondly imagine they have cured them. The important fact which they fail to recognize is, that these skin diseases are diseases of the blood, and that no external treatment can permanently cure them, because they are essentially internal ailments.

S. S. S. is the only proper remedy for this breaking out of the skin, because it acts upon the blood, cleansing and revitalizing it, and removing the cause of infection. It should be borne in mind that S. S. S. is purely vegetable, made from native roots, herbs and barks, and that it contains no habit-forming drugs or other injurious ingredients. Obtain a bottle of S. S. S. from your druggist and if you need the advice of a physician, write to the Medical Department, Swift Specific Co., 301 Swift Building, Atlanta, Ga.

A DENTISTS FORMULA

VEGETABLE CALOMEL

Vegetable calomel, extract of the root of the old-fashioned may-apple plant, does not salivate. As a liver stimulant, it's great. It's a perfect substitute for ordinary calomel (mercury); in fact, it's better, because its action is gentle instead of severe and irritating—and it leaves no mean, disagreeable after-effects. Physicians recognize this and prescribe may-apple root (podophyllin, they call it) daily.

Combined with four other standard, all-vegetable remedies, may-apple root may now be had at most any druggist's in convenient sugar-coated tablet form by asking for Santanel Laxatives. If you forget the name, ask for the box that has the picture of the soldier on it.

These tablets are small, easy to take and are really wonderful little performers. They quickly clean out the poisons that are causing you headache, constipation, sour stomach, biliousness, dizzy spells, bad breath and coated tongue.

They are mild. They never gripe. And they are a bowel tonic as well as a cleanser and liver regulator. A 10c box should last one several weeks. A Physician's trial package (4 doses) will be mailed you free if you write mentioning this advertisement. The Santanel Remedies Co., 802 Madison Ave., Covington, Ky.

DOMESTIC CLUB GAVE PROGRAM AT WHITE HALL

William A. Auton Dies from Paralysis—Chicago & Alton Storing Ice at Roodhouse—Greene County News Notes.

White Hall, Jan. 19.—Fire did slight damage to the residence of Lynn Smith on West Franklin shortly after 6 o'clock Tuesday morning. The fire company responded, but the blaze was extinguished before their arrival.

Dr. G. W. Burns takes unusual interest in a copy of the Mercer (Pa.) Dispatch of January 12th, as it contains the picture of a family group representing four generations, the eldest being Bennett Perrine, aged 100 years. Mr. Perrine was born when Dr. Burns and the late Capt. E. J. Pearce migrated from Pennsylvania to Illinois when yet in their teens. Dr. Burns regards the Perrines as among the very best people of their old home town. He refers to Bennett Perrine as a teacher of temperance, frugality and religion. The Perrine farm is the home of all four generations of Perrines.

The Domestic club met on the 16th in the parlors of the Presbyterian church. The program consisted of a very interesting play entitled "Madame Princeton's Beauty Parlor," given by Mrs. Spencer, assisted by several of the members, a vocal solo by Mrs. Edward Roodhouse, reading by Mrs. S. Vanderheyden, duet by Misses Helen Worcester and Jessie Ross, and a piano solo by Miss Laura Pinkerton. Quite a number of guests were present, and all seemed to have an enjoyable afternoon.

A. Ruckel accompanied H. C. Whitte to Alton, Monday, where they met with the committee on roads of the Alton chamber of commerce in an effort to ascertain the hostility of that organization toward the Burlington Way. The conference will doubtless result in a better understanding.

William A. Auton, who suffered a stroke of paralysis on Wednesday, rendering his condition so dangerous that all the children were summoned to his bedside, died at 1:30 a. m. Thursday. His age at death was 84 years, 10 months and 26 days. His history covers practically the entire existence of White Hall as a community, and here he has lived long and well.

The amount of taxes to be collected by Lynn Smith this year totals \$58,895.33. Taxes on land amount to \$19,760.14; on lots \$17,899.96; on personal, \$21,235.33. The total county tax is \$39,000 higher than in 1916.

Kampsville has organized a business men's league, with plans for the extension of business for the year of 1917.

A. J. Barnett's delivery team ran away from the mill Tuesday and collided with a telephone pole on Lincoln street, breaking the pole in three pieces. The team became entangled in the wires, but were rescued with slight injuries.

The C. & A. began storing ice at Roodhouse Wednesday morning, and 200 men are employed. More than 21,000 pounds of meat were received there last season, this being one of

MUSTEROLE—QUICK RELIEF! NO BLISTER!

It Soothes and Relieves Like a Mustard Plaster Without the Burn or Sting

Musterole is a clean, white ointment, made with the oil of mustard. It does all the work of the old-fashioned mustard plaster—does it better and does not blister. You do not have to bother with a cloth. You simply rub it on—and usually the pain is gone!

Many doctors and nurses use Musterole and recommend it to their patients. They will gladly tell you what relief it gives from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, cabs of the chest (it often prevents pneumonia).

MUSTEROLE
WILL NOT BLISTER

the largest icing stations in the world. It is an interesting spectacle to witness the icing of a train of meat. John McIver, who has charge, gave a Republican reporter a detailed outline of actual operation on a train of meat one day last summer. Mr. McIver is very cordial in this respect.

News of special interest to Greene county people comes from Georgetown, Minnesota, to the effect that Miss Eleanor Winona Henshaw and Mr. Lyman R. Prindle, both formerly of White Hall, were married at 3:30 p. m., Saturday, January 13th, at Moorhead, Minnesota, by Rev. Boone, pastor of the M. E. church. For the present they will reside on a farm near Georgetown.

G. H. Fishbach has resigned as advertising manager of the Ell Bridge company at Roodhouse. Mr. Fishbach came to Roodhouse from New York City a year ago last October, and his editorship of The Optimist, the house organ of the Ell Bridge Company, has become an influential publication in amusement circles in the little more than a year that it has been making its monthly appearance. Until the first of this year it was printed at White Hall, but is now printed in Peoria. Mr. Fishbach's successor has not been named. He will probably remain in Roodhouse a month yet before announcing his plans for the future.

SOMETHING SPECIAL

We offer today a big value in candy. A fine satin glass butter cup filled with chopped pecans, walnuts and hickory nuts. This is a regular 40c value and we will sell only 1 lb. to a customer at 25c. Telephone now and have a box set aside for you before they are all sold. MERRIGAN'S.

U. S. TO OPEN MORE LANDS IN DAKOTA

Four Thousand Acres Will Be Available Under General Homestead and Reclamation Laws.

Chicago, Ill., Jan. 19.—On February 8 the Department of the Interior will open for settlement under the general homestead and reclamation laws upwards of 4,000 acres of choice land in the Belle Fourche valley of South Dakota. This comprises the fifth unit of this project thus far opened and is located within a few miles of town and railroad adjoining lands already developed by settlers. The usual residence of three years is required and to all bona fide settlers the Reclamation Service will furnish water for irrigation purposes at actual cost without interest on deferred payments covering 20 years.

The Government regards this opening as exceptionally good, and because of present economic conditions and the high cost of living it is thought there will be a large influx of homeseekers. As an evidence of the increased values which Federal development has given to lands in this section it is stated that lands homesteaded in 1912 and valued at \$25 per acre have been sold recently at \$75 and \$125 per acre.

Detailed information concerning the Belle Fourche opening may be obtained by addressing The Settlement Agent, U. S. Reclamation Service, Chicago, Illinois.

BILLIARD EXPERTS HERE TODAY

Lovers of billiards will have an opportunity today of seeing the champion billiard player of the world when Willie Hoppe and his associates come here for an exhibition at the Drexel billiard parlors.

The galaxy of stars appearing today include in addition to the world's champion, C. O. Peterson, champion fancy shot of the world, Jake Schaefer, Jr., son of the famous wizard and Chick Wright, champion of the Pacific coast. Schaefer and Wright will play ballgame and three cushion matches while Peterson will give exhibitions of fancy shots.

Leonard G. Gray of Decatur who was called here by the death of his mother, Mrs. Sarah Gray has returned home. Mrs. Gray and children remained for a visit of several days.

PASSAVANT RECORDS GIVE INTERESTING FACTS

Reports Presented To Trustees Show Increasing Usefulness of the Hospital—Resolutions Pay Tribute to Retiring President.

Some items and reports at the annual meeting of the trustees of Passavant hospital Association are worthy of special notice.

A faithful and highly deserving auxiliary to the institution is the ladies' hospital aid society with ninety members. These ladies meet monthly except during the summer, do a great deal of sewing for the hospital and in other ways add to its welfare. The officers are: President—Mrs. Frank Orear. Vice president—Mrs. James Merrill. Recording secretary—Mrs. Miller.

Treasurer—Mrs. George Hollinger. During the year they made 440 articles with their needles, collected \$82.00 in dues and \$83.30 from the churches of the city. The report of the superintendent, Miss Ida B. Venner, contained much interesting information. The work of the hospital has shown a steady increase over previous years. During the year 864 patients were treated, a gain of 87 over 1915. There were 11,335 nursing days, an average of 31 plus. The average cost per patient per day was \$2.056 and it has been hard work to keep the cost down to this figure owing to the great advance in all kinds of things used. The driveway on the north side of the building has been abandoned which makes less noise and dirt for that side of the building.

More Room Needed. Various additions have been made and several things are at present urgently needed. Jan. 18 all the rooms in the hospital were occupied, all beds in the semi-private rooms and a bed on the porch for an outdoor patient. A small ward which had been fitted up with beds for five children had to be turned into a place for two adults to be operated on next day. More room is needed, better facilities and various things which only can be accomplished in a new building which cannot come any too soon.

Many improvements in the filing of patient's records have been introduced and the files of the admission of patients have been sought and put in shape as far as possible. Bibles for the various rooms in the hospital were presented by the Gideons. A branch of the public library has been installed at the hospital and is much valued by nurses and patients. Although the utmost care has been taken to economize in all reasonable ways without lessening the usefulness of the hospital the expenses have exceeded the receipts. As many patients as possible have been treated by both physicians and hospital free of charge and many more have paid only a part of the actual cost of their maintenance at the hospital, as ward patients pay but \$7.00 weekly and room are occupied from \$10.00 a week up.

The Training School. Miss Venner also submitted her report as superintendent of the nurse's training school. This school admits young ladies of good character and suitable qualifications. They are required, during the three years course at the hospital, to study and hear lectures on nursing, nursing ethics, dietetics and diet cooking, bacteriology, hygiene, elements of the materia medica in the first year, in the second, advanced nursing, anatomy and physiology, ethics, materia medica, urinalysis, obstetrics, gynecology, anesthesia; third year care of infants and children, care of nervous and insane, study of general nursing subjects, including private duty, public health, school, almshouse and factory nursing, settlement work, work for the prevention of tuberculosis, Red Cross, Army and Navy Nursing, hospital and training school management, hospital economics, state registration, nurses' associations, preparation of papers and essays.

There are now on the staff a superintendent of nurses, directress, assistant superintendent of nurses, surgical nurse, night supervisor, graduate dietitian and 29 pupil nurses making 25 in all. The school is on the accredited list subject to the scrutiny of the state board of managers so that it will be seen at once that patients at Passavant hospital get a superior quality of attention. A number of valuable books have been added to the reference library which still might be improved. Grateful acknowledgments to officers and friends and to the staff of assistants for faithful and valuable services rendered.

Dr. C. E. Black, for ten years dean of the training school, read his report from which a few items are taken.

Figures from the Dean's Report. During the year past seven young ladies have been received into the school, six have graduated, one has resigned and one left without permission or notice. During the ten years 126 young ladies have been received into the school, 41 have been graduated regularly, eleven have completed the course as post graduates, one has received a certificate and 74 have either resigned or have been advised to give up the work. No more earnest and useful group has been graduated from any school. Our graduates are constantly in demand; some have important positions and a goodly number are married and have homes of their own.

These first ten years may be called pioneer and the future calls for many

A Saving Is a Gain

In buying a suit or overcoat in our store right now you will save at least \$5.00.

Come in and see a coat like the picture shown here.

This coat is one of the smartest designs of the season.

You can also save about 25% on our furnishing good stock over next season's prices—in fact we will guarantee a 15 per cent saving.

A number of valuable books have been added to the reference library which still might be improved. Grateful acknowledgments to officers and friends and to the staff of assistants for faithful and valuable services rendered.

Dr. C. E. Black, for ten years dean of the training school, read his report from which a few items are taken.

Figures from the Dean's Report. During the year past seven young ladies have been received into the school, six have graduated, one has resigned and one left without permission or notice. During the ten years 126 young ladies have been received into the school, 41 have been graduated regularly, eleven have completed the course as post graduates, one has received a certificate and 74 have either resigned or have been advised to give up the work. No more earnest and useful group has been graduated from any school. Our graduates are constantly in demand; some have important positions and a goodly number are married and have homes of their own.

These first ten years may be called pioneer and the future calls for many

improvements. The school has been kept in the A class but some things will have to be added if it is to be kept there. We need better equipment and many other things. Heretofore we have paid our pupil nurses but it is possible that this may of necessity be discontinued as they are students just as much as the persons attending the various places of learning in the city.

In closing the doctor said: "In retiring from the position of dean of the training school for nurses it is a great pleasure to know that the work is to fall into such competent hands. It is a position for which a highly educated and eminently qualified woman, such as Dr. Grace Dewey is peculiarly fitted. May her unusual qualifications, both cultural and professional, be an inspiration to our young women. Your board is to be congratulated on securing Dr. Dewey's services for this position."

Resolutions Adopted. The following resolutions were adopted:

Whereas at a recent meeting of a board of trustees of the Passavant Memorial Hospital, its president, S. W. Nichols, presented his resignation with the request that it take effect at once, and

Whereas the board of trustees designated more time to consider the resignation it appointed a committee for that purpose, and

Whereas after careful consideration of all the interests involved, and after consultation with a number of

the trustees and with Mr. Nichols it seemed wise to defer the acceptance of this resignation until the annual meeting; and

Whereas, Mr. Nichols finally consented to serve out his term of office if that seemed to be in the best interest of the hospital, although he very much desired to be relieved.

Therefore he it Resolved by the board of trustees of the Passavant Memorial Hospital in annual meeting assembled, that the resignation of Samuel W. Nichols, as president of the board, be and is hereby accepted to take place at once and be it further resolved that in accepting this resignation, we wish especially to call attention to the long period of forty-three years' service in which he has served this hospital in every capacity in which he could help to forward the good work and we would especially call attention to his many generous and substantial gifts of money and other property from year to year, and finally to his gift of a commodious and comfortable nurses' home, which was so much needed.

And further he it resolved that the Passavant Memorial Hospital should record Samuel W. Nichols among its most faithful and generous friends over a period of many years, and the secretary is hereby instructed to have this memorandum occupy a page in the minutes of this annual meeting as an expression of appreciation by this board, and as a permanent record of his many acts of service in the interest of Passavant Memorial Hospital.

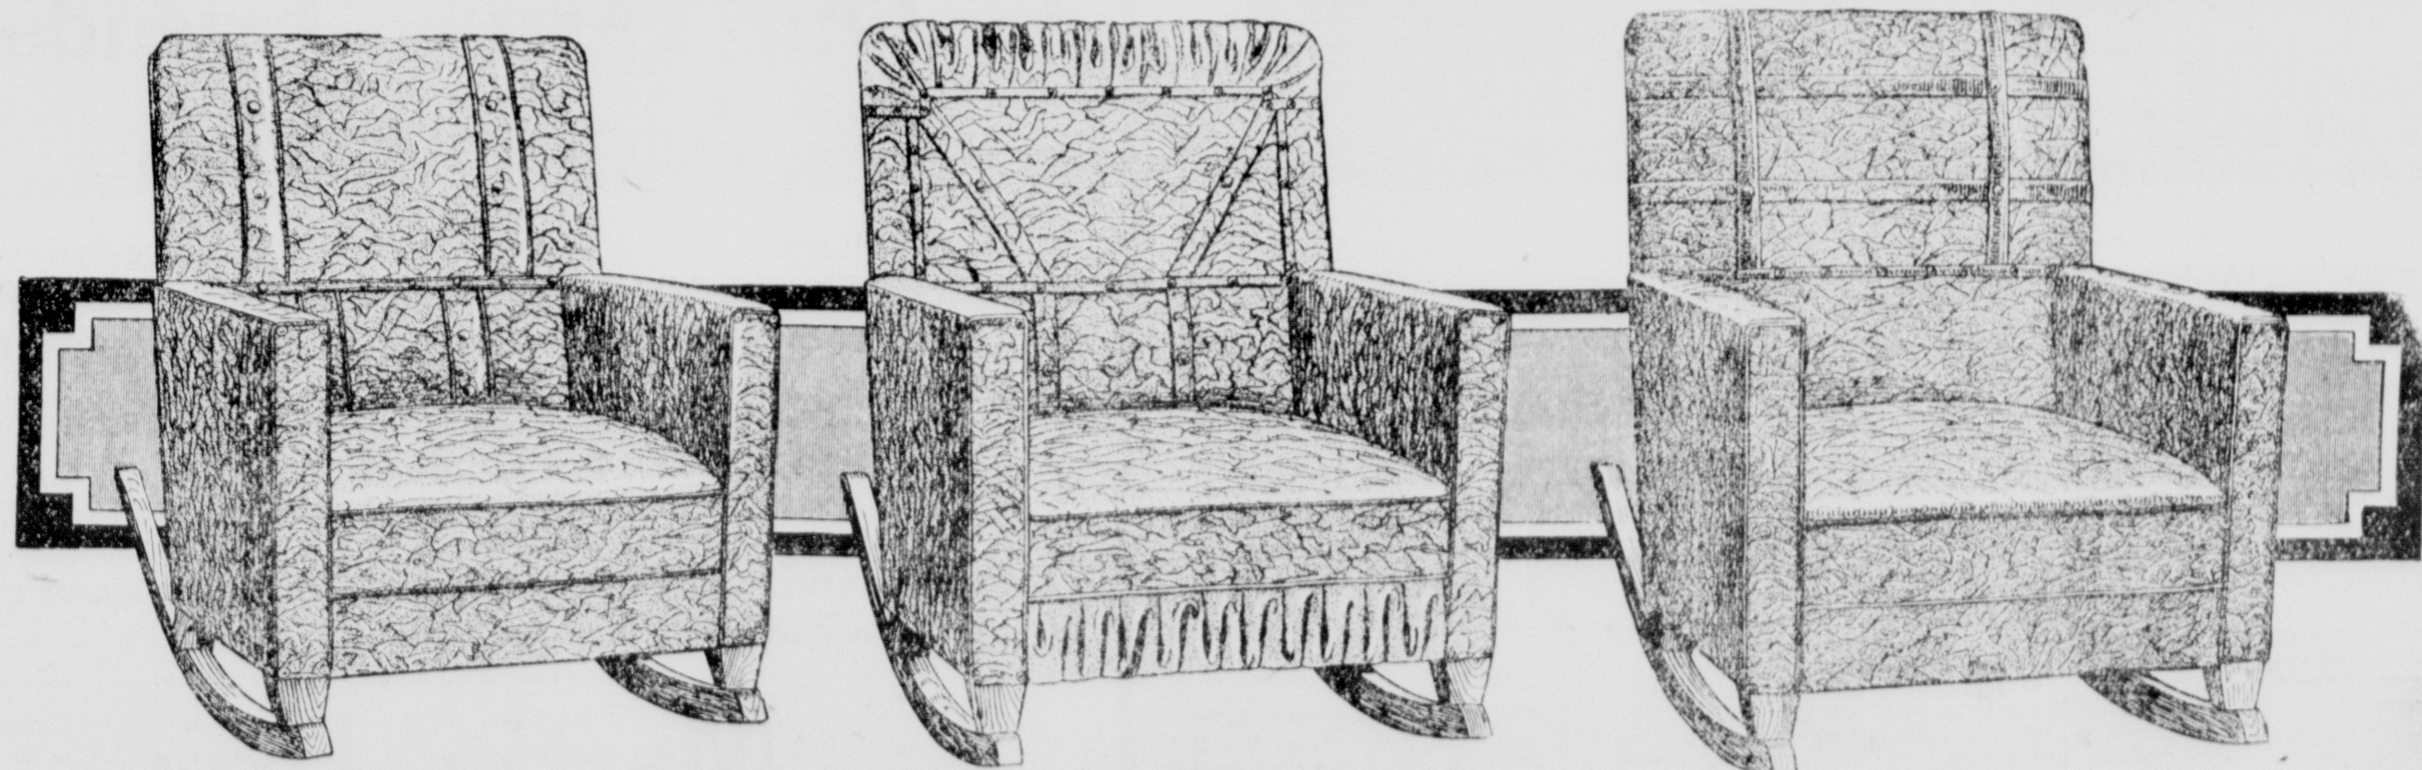

BLACK WEDDING FOR THIS COUPLE

New York, Jan. 19.—Read this, girls if you want a tip on something new for your wedding. When Miss Eleanor Klinger, fashion model, and Mr. Ora Cne, designer of hats and gowns, stand before the marriage altar in St. Vincent de Paul's church tomorrow, they will break all wedding traditions in that they will wear black from head to foot. The wedding breakfast served by a black servant, will consist of black-berry cocktails, black bass, black bread, black coffee, and other black delicacies. Mr. Cne and his bride-to-be, say they want to show the world something new in the way of weddings; also, black weddings will prove cheaper for society than the usual kind, as black clothes are always serviceable.

TO URGE TEACHERS' PENSIONS

Topeka, Kans., Jan. 19.—Provisions for a teachers' pension system and a State school architect will be urged upon the legislature now in session by the Kansas Educational Council, which assembled in annual meeting here today to consider legislative and other matters affecting the educational interests of Kansas. Leading educators from all parts of the State are attending the meeting which will continue two days.

W. D. Henry of Woodson, attended the funeral of Capt. Smith and spent the night with his sister, Mrs. J. E. Wright and family of this city.

Just a Few of These Left from Christmas will Be Closed Out This Week Only At the Very Special Price of \$8.95. An \$11.00 Value.

ponents despite the fact that they
were not up to their usual strength.
When the first half ended the
score was 20 to 3 in favor of Routt.
Walsh scored the first basket a few
seconds after the first tipoff and it
was a procession the remainder of
the half. In the second half Lin-
coln braced for awhile and scored
several baskets, however, Routt away
from a score. However, Routt soon
got her scoring machine working
and again piled up the points.

Woulfe at center for Routt played
perhaps the best game of his career.
He made half of the total points scor-
ed by his team and some of them
were phenomenal shots. He was ably
assisted by Walsh who amassed
twelve points. The other six went to
Fredrich who entered the game for
Conney toward the close of the sec-
ond half.

Gossett and Holmes were the stars
for Lincoln. Holmes towered above
Woulfe, but he played the best
game for the visitors he was outplay-
ed at all points by Woulfe.

The game was fast and kept Re-
feree Wilson on the jump. Both
teams played hard but the game was
a clean one. This may be seen from
the fact that only three fouls were
called and one of these was tech-
nical. The score:

Routt College	F.G.	F.T.	T.P.

PRACTICALLY ALL NAPS SIGN
Chicago, Jan. 19.—Practically every
member of the Cleveland American
has signed a 1917 contract. James
Dunn, president of the club, an-
nounced here tonight in denying
that a strike would seriously cripple
the club. Dunn said that Bobby
Roth a member of the Baseball
Players' Fraternity had not signed,
but that he expected to come to
terms with him within a week.

HEAD AND NOSTRILS STUFFED FROM COLD

"Pape's Cold Compound" Ends a
Cold or Grippe in a
Few Hours

Your cold will break and all gripe
misery end after taking a dose of
"Pape's Cold Compound" every two
hours until three doses are taken.

It promptly opens clogged-up
nostrils, and the air passages of the
head; stops nasty discharge or nose-
running; relieves the headache, dull-
ness, feverishness, sore throat, sneez-
ing, soreness and stiffness.

Don't stay stuffed-up. Quit blow-
ing and snuffling. Ease your throbb-
ing head—nothing else in the world
gives such prompt relief as "Pape's
Cold Compound", which costs only
25 cents at any drug store. It acts
without assistance, tastes nice, and
causes no inconvenience. Accept no
substitute.—Adv.

USE "CASCARETS" FOR LIVER AND BOWELS WHEN CONSTIPATED

When Bilious, Headachy, Sick, for
Sour Stomach, Bad Breath,
Bad Colds

Get a 10-cent box.
Take a Cascaret tonight to cleanse
your liver, stomach and bowels, and
you will surely feel great by morning.
You men and women who have head-
ache, coated tongue, a bad cold or
bilious, nervous, upset, bothered with
a sick, gassy, disordered stomach, or
have backache and feel all worn out.
Are you keeping your bowels clean
with Cascarets—merely forcing a
passage every few days with salts,
cathartic pills or castor oil?

Cascarets immediately cleanse and
regulate the stomach, remove the
sour, undigested and fermenting food
and foul gases; take the excess bile
from the liver and carry off the con-
stituted waste matter and poison
from the bowels.

Remember a Cascaret tonight will
straighten you out by morning. A
10-cent box from your druggist
means healthy bowel action; a clear
head and cheerfulness for months.
Don't forget the children.—Adv.

COMPLETE DRAFT OF REVENUE BILL

Measure Will Be Laid Before Demo-
cratic Members of Full House
Committee Monday.

Washington, Jan. 19.—A tentative
draft of the administration revenue
bill was completed today by a house
ways and means sub-committee. It
will be laid before Democratic mem-
bers of the full committee Monday
and a conference of the house Dem-
ocrats may be called some time next
week to approve it as a party meas-
ure.

The bill proposes to raise \$250,-
000,000 from a tax on excess profits
of business and increased rates on
inheritances and \$250,000,000 from
a bond issue.

The treasury now has authority to
issue not exceeding \$200,000,000 of
these certificates limited to a year
and to three per cent interest.

In levying the process tax of eight
per cent on all profits of corporations
and co-partnerships in excess of
eight per cent of capitalization, the
bill defines capitalization as includ-
ing actual money paid in actual prop-
erty used or owned and all surplus
and undivided profits, concerns hav-
ing annual profits of \$5,000 or less
would be exempt as would profits
derived from agriculture or from
solely personal services such as the
income of professional men.

The sub-committee framing the
bill which comprised Representatives
Kitchin, Rainey and Hall exempted
agriculture on the ground that the
farmer already is taxed heavily
enough and that it is impossible to
tell how much a farmer has invest-
ed in his business.

The inheritance tax increases
would raise the rate on the mini-
mum inheritances now taxable from
one to one and one half per cent and
would levy a new rate of fifteen per
cent on those of more than \$15,-
000,000.

Basketball tonight 7:30 Jack- sonville High vs. Alton High. David Prince gymnasium.

WAVERTY TURNS TABLES ON WHITE HALL

Waverty turned the tables on
White Hall on the Waverty floor Fri-
day night winning by a score of 17
to 13. It was the best game seen in
Waverty this season and kept the
spectators on their toes thruout.
When time was called for the sec-
ond half the score was tied. In the
overtime battle Waverty forged to
the front and won. The Waverty
team's playing was featured by
Hughes while Vandaveer and Hyle
were the stars for White Hall. The
score:

White Hall	F.G.	F.T.	Tot.
McMahan, R.	0	0	2
C. Redfern, R.	0	0	0
Colbert, R.	0	0	1
Hughes, R.	0	0	3

lege; umpire, Alford, Illinois college.

BLUES DEFEATS ILLINOIS SECONDS

Illinois' second team lost to the
Blues last night and lost to the
Blues high school by a score of 36
to 24. The college boys claim that
they would have won the game by
one point but that the referee called
a technical foul on Stead which
deprived Illinois of two points. They
claim that it was not a foul and
should not have been called. Stead
played a star game for the seconds
scoring 18 points. For Blues Reid
was the star with a total of 16 points.
The score:

Illinois Seconds	F.G.	F.T.	T.P.
Cully, R.	0	0	4
Spaulding, R.	0	0	4
Stead, R.	0	0	18
Day, R.	0	0	2

MACK SELLS PICK

Philadelphia, Jan. 19.—Connie
Mack, manager of the Philadelphia
Americans announced tonight that
Charles Pick, an infielder has been
sold to the San Francisco club of
the Pacific Coast league.

MCCUTCHEON TO WED TODAY

Chicago, Jan. 19.—John T. Mc-
Cutcheon, cartoonist, creator of
"Bird Center" last night received the
felicitations of many friends
upon his marriage tomorrow to Miss
Evelyn Shaw. At a dinner arrang-
ed for him characters from his car-
toons joined with undisguised
friends in singing, "goodbye John."

INVALID IS ASPHYXIATED

Chicago, Jan. 19.—Helpless and
bound to a wheel chair by paralysis,
Mrs. Alice Lynen was overcome and
killed by escaping gas today in her
home here. A small fox terrier
chained in the room was the only
witness to her fight against death.

ROBERT AMBROSE DIES

Chicago, Jan. 19.—Robert Am-
brose, a former captain of the Chi-
cago fire department and once de-
scribed as the city's bravest fire-
man, is dead at his home today. Am-
brose, 55 years old, retired two
years ago and died a victim of pa-
ralysis induced by the rigors of his
service. He won a medal for brave-
ry in 1899 by a spectacular res-
cue of a fellow fireman.

FARM NOTES

Special Features at the County Agri- cultural Short Course

The Livingston County Agricultural
Short Course will be held in Pon-
tiac, Illinois, February 12-16 inclu-
sive. The program is unusually
strong this year; the best authori-
ties obtainable will lecture. Many
new and interesting features will be
introduced.

Special Train

A special train will be run over
the Illinois Central Friday, Febru-
ary 9, to Union Stock Yards, Chi-
cago, where study will be made of
feeder and fat cattle and feeder and
fat lambs; also carcasses of various
classes of fat stock. Lectures will
be given by Professor Rusk, of the
University of Illinois, Mr. E. P. Hall,
Mechanicsburg, Ill., winner at the
International in 1916 with a car
load of fat Angus steers, Mr. Ed Hall,
Lamonte, Missouri, a prominent and
successful feeder of lambs, and by
representatives of commission com-
panies and packing house compa-
nies. A special feature will be ar-
ranged for the women, which will be
under the leadership of Mrs. Fred
L. Hatch, Spring Grove, Ill. They
will study packing house products,
meats, etc., and hear the lectures on
same. This trip is planned for ev-
ery one in the county who may
wish to go; those desiring to partici-
pate are expected to advise the of-
fices of Livingston Co. Soil & Crop
Improvement association of the fact.

For Cattle

Seventy three pot cultures have
been prepared for the Short Course.
They will be used to demonstrate
the effect of applications of varying
amounts of phosphate and limestone,
on our common corn belt soil, as
evidenced in the production of clo-
ver; other pots will show the rela-
tive difference in the growth of in-
oculated and uninoculated clover and
alfalfa plants, different varieties of
oats on very fertile and less fertile
soils, rape in oats (seeded with oats
and after oats have made some
growth, on soils of different produc-
tive powers), sweet clover on our
common soils, showing the effect of
limestone applications; Soy beans,
on limed and not limed land, inocu-
lated and not inoculated oats on
timber soils treated with potassium
and blood meal; Soy beans in corn,
rape in corn, vetch in corn, Sudan
grass, mixtures of common clover
weed seed, vetch and rye, oats on
peat soils, treated and untreated;
alfalfa plants, showing proper meth-
od of management, etc. There are
several "pots" of sweet clover, to
be used in demonstrating the proper
method of handling this most im-
portant crop the second year of its
growth.

Soil Analysis

Arrangements are being made to
conduct a series of soil analyses in
the lecture room; for this purpose it
is proposed to have soils used in
the pot culture work; several of
these will be analyzed to show the
relative amounts of different plant
"Essentials" which are added by
different applications of phosphate,
the analyses of these soils as done
in the short course work will be
compared with a "standard soil."
Actual chemical analyses of one or
more soils have been made and these
will be used as "standards."

Stock Judging

It is planned to have three days
of stock judging; judging will be
done in the forenoon, and lectures
on the kind of stock judged will be
given, by experts, following this.
One day will be given to dairy cat-
tle, one to heavy horses, and one to
beef cattle. Several fine individuals
will be used in each case; a com-
plete study will be made of each
class of animals.

Departments on which lectures are to be given:

The following departments will
have instructors: "Soils," "Crops,"
"Livestock," (fattening and breed-
ing, and dairy stock), "Poultry,"
"Bees," "Rods," and "Farm Man-
agement"; in addition there will be
a large number of short talks on
other subjects.

D. E. Kennedy's Hogs Bring Top Price

D. E. Kennedy recently shipped
two carloads of hogs of his own
raising to the St. Louis market.
There were 149 head in the ship-
ment and they brought the top
price of \$11.25 a hundred and aver-
aged 250 lbs. Mr. Kennedy is a
stockman who is not deterred from
the operation by the low price for
corn and other grain. He believes
that with present market conditions
that it is possible to feed corn that
is worth \$1 and still make a very
nice profit and this is just what hap-
pened with the shipment just made.

The hogs were loaded at Joy Prai-
rie and went to market on the Bur-
lington after they had been driven a
distance of six miles from Mr. Ken-
nedy's farm. These hogs were har-
rowed in April and were strong and
healthy from the beginning. In the
summer time they were on good
pasture and were fed some oats.
Later on they were given all the
corn they could clean up. Mr. Ken-
nedy does not feed tannage but keeps
stock food or condition powders con-
stantly in reach of his hogs. He
believes that this food helps to keep
the animals healthy and in good
appetite.

PROPOSE HOME FOR AGED BALL PLAYERS

CHICAGO Jan. 19.—Establishment
of a home for aged baseball players
is a proposal that in all probability
will be submitted to the club own-
ers of the American and National
leagues. B. B. Johnson president of
the American league announced to-
night.

"Such a home could easily be es-
tablished and maintained," he said.
"It might be possible to give a part
of the world's series receipts to such
a cause and club owners probably
could be induced to contribute to the
fund."

The subject, President Johnson
said has been informally discussed
by certain major league club owners,
but no action has been taken.

Edward Dugger of White Hall
was a visitor yesterday with his wife
who is a patient at Passavant hos-
pital and who is getting along in an
encouraging manner.

The Store That's Known for Ready To Wear

January Styles for January Now Selling In the New

Wirthmore Waists

These Waists were just unpacked—just came to us from a man-
ufacturer who provides us and several other good merchants with
the new styles as soon as they have their origin. That's why when
you buy one of these excellent Waists you have the assurance of al-
ways getting a new — modish — wanted style — and not one de-
signed for sale several months earlier.

A New Wirthmor Waist for \$1.00 is a better value by far than
any other Waist at the price, marked down from a former higher
level. Wirthmor Waists are sold here exclusively.

Will Be Held Early in February Under Direction of Dr. Clayton, Commissioner of Education.

Washington, Jan. 19.—The United States Commissioner of Education, Dr. P. P. Clayton, has issued a call for an "America First" conference to be held on February 23rd immediately following the annual meeting of the Chamber of Commerce of the United States of America. This conference will deal with the industrial phase of Americanization and will be the first of a series of "America First" conferences to be known officially as the "National Conferences on Americanization through Education."

The conference on February 23rd will be under the auspices of the Bureau of Education in the Department of the Interior, acting in cooperation with the National Committee of One Hundred. This committee was appointed by the Commissioner of Education on September 1st, 1915, to assist the Bureau in conducting the "America First" Campaign. The Committee on Immigration of the Chamber of Commerce of the United States of America will also participate in the program.

The recorded cooperation of hundreds of industrial establishments and chambers of commerce in the "America First" Campaign has brought into the foreground the demand for a definite plan of Americanization by industries and commercial organizations. For some

months a tentative plan has been in process of formation in a series of consultations between Bureau officials and the Immigration Committee of the Chamber of Commerce.

The hearing of this conference is significant. It will bring into practical relation employers and educators. This is effected by the nature of the chambers of commerce, plant welfare directors, representatives of labor and immigration departments and commissions, and school authorities.

Each session of the conference will be opened with an address and then conducted as a round-table discussion of various questions printed in the program and relating to a national policy of Americanization.

Owing to the growing interest of industrial men in the subject, it is expected that many delegates and others attending the annual meeting of the Chamber of Commerce of the United States will remain over for the "America First" Campaign conference.

Succeeding conferences will appeal to various other organizations, groups, and individuals interested in general features of Americanization.

It's a well known fact that prices of men's Underwear and Hosiery as well as Shirts will soon be much higher than now quoted by FRANK BYRNS' Hat Store.

SOPH'S SWAMP PREPS

Inter-Class basketball started with a rush at Illinois college yesterday. The Sophomores ran away with the Whipple students, amassing a total of 52 points against the Preps 2 points. The Preps did not make a single field goal, their two points being gained from foul throws.

Hembrough, the captain of the Sophomores' team was the star of the game. He threw eleven field goals.

Sophs: Forwards, Hembrough, H. Swain; center, E. Smith; guards, A. Smith, B. Whisler and Wallace, substitute.

Preps: Forwards, Farrell, Folsom; center, Turner; guards, Wilson and Nichel. Pigot was substitute.

Referee, Wilson. Umpire Mitchell.

NATIONAL BASEBALL

FEDERATION
Toledo, O., Jan. 19.—Rules and regulations for the uplift of amateur baseball are to be discussed and acted upon at the annual meeting opened here today by the National Baseball federation, which aims to become the governing body of the sport throughout the country. The federation now embraces amateur baseball clubs and leagues in Chicago, Cincinnati, Detroit, Birmingham, Des Moines, Louisville, Cleveland, New Orleans and a number of other cities.

SHAKE-UP IN WESTERN GOLF

Chicago, Jan. 19.—According to opinions expressed by delegates already in town a strong dose of "pep" is likely to be injected into the Western Golf association when it meets in annual session here tomorrow. For some time past there is said to have existed considerable dissatisfaction over the manner in which the association has controlled, or failed to control, the sport in the territory over which it exercises jurisdiction. The election of a clean slate of new officers and the adoption of an aggressive policy are expected to be a part of the reorganization plan. In addition to transacting other business the meeting will be called upon to select the courses for the championship tournaments to be held this year.

SOUTH HONORS LEE'S MEMORY

Atlanta, Ga., Jan. 19.—Celebration of the anniversary of the birth of General Robert E. Lee was general throughout the south today. In nearly all of the States the day was observed as a legal holiday. Exercises under the auspices of the United Confederate Veterans, Daughters of the Confederacy and other patriotic societies were held in all the principal cities and towns.

WASHINGTON AND LEE DAY

Lexington, Va., Jan. 19.—"Washington and Lee Day" was celebrated at Washington and Lee University today in annual observance of the birthday of the great Confederate chieftain, who spent the latter years of his life as president of the university. The leading feature of the anniversary program was an oration by Secretary of War, Baker, who is an alumnus of the university.

NOTICE TO CONTRACTORS

The Board reserves the right to reject any and all bids.

NOTICE TO CONTRACTORS

Sealed proposals will be received by the Board of Education of Tallula, Illinois, according to plans and specifications for installing a heating and ventilating system in the Public School Building in Tallula, Ill.—until Feb. 15, 1917, at 7 o'clock p. m. Plans and specifications are on file at Dr. Lightle's office in Tallula, Illinois.—Bids will be received with the understanding that all material necessary to complete this work is to be on the grounds by June 1, 1917, work to be completed by Sept. 1, 1917.

R. B. Ruh, Clerk, Board of Education.

CASS COUNTY LOST NINE
CATTLE ONE NIGHT

Animal's Died from Cornstalk Disease—Paving Contract in Virginia Let to John G. Pratt

Arthur Ruple had the misfortune to lose 9 head of cattle recently in one night. They were turned into a stalk field in the evening and were found dead next morning presumably from cornstalk disease.

Samuel Somers of Colorado Springs, Colo., arrived in this city last week to spend the winter with his grandmother, Mrs. Sara Crum.

Misses Sara and Anna Devlin are in Illinois attending the funeral of a relative.

Many local people are planning to go to the capital city Tuesday Jan. 23 to hear Hon. W. J. Bryan speak on prohibition.

Rev. and Mrs. Geo. Boyd are the parents of twin boys born Tuesday.

A marriage license was issued Tuesday to Robert C. Gehrig of Centralia and Miss Lella Greve of Beardstown.

Mrs. Jesse Decker and daughters Mrs. Al Winkle and Miss Goldie Decker departed this week for Florida to spend the winter.

Otto Steiler left Tuesday for an extended stay in Detroit, Mich.

Norval Hinchee of Chillicothe is the guest of his mother, Mrs. Mary

Hinchee.

Funeral services for the late Newell Nesbit will be held at family home southwest of this city Saturday afternoon at 2:30. Rev. Max B. Willes, pastor of the Presbyterian church officiating. Interment will be in Providence cemetery.

Mrs. Ona Mullen Broderick who has been a pneumonia sufferer for the past few weeks remains in a serious condition at her home in the west part of this city.

The contract for paving Morgan street has been let to Mr. John G. Pratt of this city for \$8,396.22. Work will begin March 1st. Alton block and sand filler will be used in the construction.

Mrs. John Whalen will hold a public sale on the Mrs. Henry Campbell farm 1 1/2 miles west of this city Jan. 29, 1917.

It has been reported that one of our local painters and decorators saw a huge snake in the road one day this week, while returning to this city. We are at loss to know whether he was returning home from Beardstown or not.

Mr. and Mrs. Newton Brainer received a telegram stating that a serious accident had befallen their son, Merle at Los Angeles, Cal.

The young man was riding in an automobile which collided with a street car. The extent of his injuries are not known, he suffered a fracture of the skull.

AUTO NOTES

The excellent roads tempted several auto owners out yesterday and they generally reported good roads though in some places a little rough and difficult.

Andrew Johnson and son came to the city yesterday from Alexander in their Dodge car.

W. H. Peteish made a trip to the city from Litchberry yesterday in his Ford car.

Mrs. W. W. Robertson of the vicinity of Alexander drove to the city yesterday in their Jeffreys car. C. E. Corrington of the region of New Berlin was in the city in his Hudson car.

Dan L. Clark and wife, residing near New Berlin made a trip to the city in their Jeffreys 6 car.

Benjamin Gibbs and wife came up to the city from Rigston yesterday in their Cadillac runabout.

Ebenezer Spink and James G. Strawn made a business trip to Prairie yesterday in their Studebaker car.

George McKean of the vicinity of Woodson rode to the city yesterday in his Ford car.

Mr. and Mrs. J. B. Moxon took a pleasure trip to Little York yesterday in their Overland car.

Frank Wynn of the vicinity of

Clemens station rode to the city yesterday in his Mitchell car.

William Walbaum of the east part of the county rode to the city yesterday in his Ford car.

Howard Robinson, residing north of Alexander, made a trip to the city yesterday in his Ford car.

Luther Crawford of Pisgah precinct was a traveler to the city yesterday in his Ford car.

WILL PLAY ALTON TONIGHT

Jacksonville High will have Alton High for an opponent at basketball in David Prince gymnasium tonight. Not much is known of the Alton team though they are said to be a fast bunch.

Coach Hufford has been working his men out hard the past week and is determined to win some games from now on. The men also have the same determination and will fight hard tonight for victory. There is a double reason for wanting to defeat Alton. First the local tossers want to put the basketball game on the right side of the ledger. Second they want to even up for the defeat given the football team at Alton last fall.

It is not known just who will start the game. However, Hufford has been working Homer Reynolds for the past week and he has been showing up well. Reynolds played the last part of the game with Pawnee last Saturday. His great speed

is a big asset in present day basketball and it would not be surprising to see him develop into a star before the season is over.

CHUBBY LEWIS TAKEN

TO SPRINGFIELD
United States Deputy Marshall Metcalf was in the city Friday and took Chubby Lewis to Springfield to answer the charge of violating the local option law.

TEN DAYS ONLY

or
TWO For the
Price of **ONE**

Starts Saturday, Jan. 20

Closes January, 31st.

This sale is exactly what it is named—no odd cents or figures to puzzle you, but a straight forward two for the price of one sale. You purchase one article at the regular price and we give you an extra one of the same article

Absolutely Free

Example: Spruce Gum Cough Syrup has been used by nearly every family for the past ten years, and regularly sells for 25c, 50c and \$1.00, but during this sale, if you buy a bottle, we give you FREE OF CHARGE, another 25c, 50c or \$1.00 bottle, as the case may be. This we do with the entire list of goods on sale. Buy one at the regular price and get one for nothing.

Look over the following list and select your wants from it, then come at once to either of our two stores, or if unable to come, telephone, and we will deliver them free of charge to your door.

This remarkable sale, of standard drug store merchandise is the biggest "stunt" ever "pulled off" in Jacksonville, and is all the more remarkable when you consider the constantly rising cost of everything in our line. But we have been buying right and this is your opportunity to do the same. You just exactly DOUBLE the value of your money!

"Save the Pennies"

"And the dollars will save themselves" is a very true old saying, and the time and the place to practice this is now and here. Particularly now, for some of the items are from lines of which we have only a few remaining, and particularly here, because we are the pioneers of quality drug store merchandise in Jacksonville.

Our every day guarantee of money back if not satisfied, applies to each and every item on sale.

Eczema Is Conquered

Greasy salves and ointments should not be applied if good clear skin is wanted. From any drugstore for 25c or \$1.00 for extra large size, get a bottle of Zemo. When applied as directed, it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, penetrating, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "foggy" and "heavy." See how they "clear" the brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

Be Happy!

Don't permit yourself to become depressed and despondent, on account of womanly troubles. You can help yourself, just as thousands of other women have done, by taking
